**Ilhwa Donates 120 Million Won in Medical Supplies and Medicine for International Aid.**

On the 16th, Ilhwa revealed that they would be donating 120 million won in medicine and medical supplies to the “2014 True Love Peace Volunteers Philippine International Aid Project.”

On the 15th, Ilhwa held a ceremony in its headquarters’ auditorium together with the Korea Multicultural Peace Federation and the Multicultural General Welfare Center to donate nutritional supplements, vitamins, pain medications and other general and specialty medical supplies for international aid.

The donation ceremony was attended by Ilhwa President Sung-Kyun Lee, Ilhwa Vice President Jong-Kwan Kim, Pharmaceutical Headquarters Director Yong-Duk Park, Korea Multicultural Peace Federation President Kyeung-Seuk Ryu, Multicultural General Welfare Center Chairman Man-Woong Jo, International Family Federation President Etsuko Ueda, Family Federation Director of Planning Seong-II Jo and many other distinguished guests.

“I pray that Ilhwa’s best medicines will give hope and strength to those who are suffering in the Philippines,” said Ilhwa President Sung-Kyun Lee.

Ilhwa donated 100 million won in medicine and medical supplies to Cambodian International Medical Relief last year.

The True Love Peace Corps will be travelling to the Philippines to provide international aid from August 1st to the 6th. They will visit Manila, Quezon, Calocan and other cities, where they will provide medical supplies and Korean language education to at-risk groups. They will also carry out service projects to rebuild and remodel homes....

### Ilhwa Donates 120 Million Won for Medical Relief

On the 16th, Ilhwa revealed that they would be donating medicine and medical supplies to the “2014 True Love Peace Volunteers Philippine International Aid Project.”

On the 15th, President Sung-Kyun Lee, Vice President Jong-Kwan Kim and others gathered together at the Ilhwa headquarters auditorium to donate 120 million won in nutritional supplements, vitamins, pain medications and other general and specialty medical supplies for international aid.

At the donation ceremony, Korea Multicultural Peace Federation President Kyeung-Seuk Ryu said that he was “happy that Korea was looking beyond its own borders to help their unfortunate neighbors in the global community. Our medical donations will extend a warm hand to those Philippine citizens who are suffering so deeply.

“We will continue to work hard as a business that strives to realize the vision of a happy and healthy world for humanity,” said Ilhwa President Sung-Kyun Lee....
