### [KBS] Opening of the World Peace Leaders' Summit...Current and Former National Representatives Attending

The World Peace Leaders' Summit was held yesterday evening at the Hilton Hotel in Seoul. The summit was held to provide an opportunity for nations from around the world to collaborate on a method of bringing about a peaceful global village. They accomplished this through discussing security measures and cooperation in developing various fields in different countries.

The summit was attended by about 250 politicians and business leaders from around the world, including President Zivko Budimir of the Federation of Bosnia and Herzegovina, Letsie III of Lesotho, Former Uruguayan President Julio Maria Sanguinetti and other current and former heads of state from 16 conflicting nations...
