The Ocean Resort hosts Wedding Exhibition

The Ocean Resort Wedding Festival, hosted by the Ocean Hotel, was held on November 22nd and 23rd.

The exhibition opened at 10:00 AM on the first day. The Seollem, Karosu Studio, Bodde Jewelry, Essbell, Joy Tours and many other wedding related businesses came together to display their services and offer wedding consultations at the Ocean Wedding Hall. About 500 people attended the exhibition, despite the harsh weather conditions, and were able to enjoy a diverse array of information, services and products. By the end of the exhibition, about 80% of the wedding hall visitors had made a contract with one of the companies present, and were able to leave with a favorable impression of ‘The Ocean Weddings.’
