

Bay Area, CA celebrates the 40-year anniversary of Washington Monument Rally

Siew Lian
September 18, 2016

On the beautiful morning of September 18, we gathered at Lake Chabot for our community picnic to celebrate the 40-year anniversary of True Parents' Washington Monument Rally. It was an awesome feeling to see multiple generations of families share food and play volleyball or simply have a great moment of being with one another out in the sun. We once again tapped into the feelings of the heavenly culture that has been initiated by our True Parents.
