In Paraguay, as a special strategic country was held the Ceremony of bestowing of the Four Holy Items of Cheon Il Guk and the Holy Wine Ceremony on November 13, 2016 at the Headquarters of the Federation of Families for Peace and World Unification.

Faced with a large influx of members and a pleasant spring day in Asunción, the country capital, Rev. Arístides Rondan Maimy, President of FFWPU Paraguay, explained about the holy items and the significance of the Holy Wine Ceremony.

We had around 200 participants including children who also like the adults took the holy wine. Families also received the 4 holy items from Rev. Sung Jeong Seo, Special Envoy in Paraguay.

The event started at 10 in the morning and ended around noon, was a very emotional ceremony as the families were receiving special grace from Heaven and True Parents.

After the Ceremony all members joined the Special Envoy outside for the burning of the confession and New Determination papers. It was a very special moment as Rev. Seo prepared the environment with the holy songs and few words of internal guidance.
