On May 20, 2017 we held a Divine Principle workshop for WFWP associate members here in Paraguay with 20 participants (including 12 new guests) at the FFWPU headquarters in Asuncion.

Mrs. Roswitha Dueck de Giuliano was the first speaker and she gave a lecture on introduction to the Divine Principle.

After that Prof. Gustavo Giuliano gave a complete view of Divine Principle, including the Purpose of Creation, Fall of Man, Mission of the Messiah and History of Restoration.

Our guests were very inspired. It was the first time for many to hear Divine Principle lectures.

One of the participants, Mrs. Nidia Santorelli said in her reflection: It was an excellent conference. I am sorry that many of the women didn't come as I think it was such a very clear and educational conference. Hopefully many others can come next time.

Several of them bought the Divine Principle book and made appointment with our sisters to start one to one study of the principle.

The lecture ended with a video presentation about True Fathers Autobiography.

Everyone was deeply touched by the content we shared at the event. And so it was difficult for the women to leave as they wanted to stay more and share with each other.

Thanks to all who made this event possible.
