

Three-Day Divine Principle Seminar for HARP members in Tallinn, Estonia

Olga Martinson

February 28 - March 1, 2020

Seven participants of the Estonian HARP organized a program where children lived for three days at the Peace Embassy for the first time.

Our Sunday school teachers taught the one-day content of Divine Principle.

The motto of the seminar was: "One for all and all for one!"

It was good to spend time together and make friends.
