The Southeast region is hosting their first Young Adult Retreat for singles ages 19–25 from December 8 to 10. This is a wonderful opportunity to meet other young adults within the subregion and beyond. Registration is open nationwide until December 3!

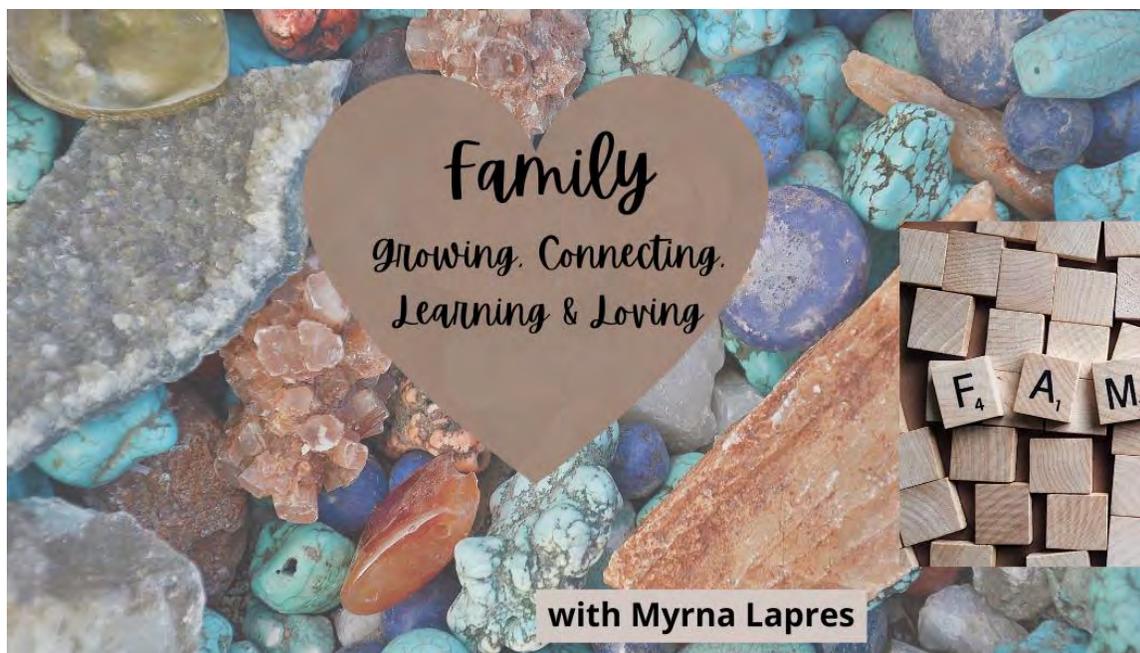

This retreat is meant to be, first and foremost, FUN and relaxing, with some opportunities for reflection and growing in faith together. The main takeaway we would like our participants to have is the chance to spend time as brothers and sisters and build lasting friendships within our faith community.

We have two airbnbs reserved, one for brothers and one for sisters. There are spots open for 10 brothers and 15 sisters.

What's On Your Family's Play List?

In the book, “Play: How it Shapes the Brain, Opens the Imagination, and Invigorates the Soul,” Dr. Stuart Brown explains that play is anything but trivial. It is a biological drive as integral to our health as sleep or nutrition. We are designed by nature to flourish through play. Keep reading for ideas on how and why play should be a part of your holiday plans.
