I am a Lighthouse

"We are all little lighthouses, and we are beaming and telegraphing information all the time. The clearer, cleaner, more peaceful, more joyful we are, the greater is the light." These words were spoken by Iyanla Vanzant, inspirational speaker, author, life coach, and certified tapping practitioner recently during the 16th World Tapping Summit. The title of her presentation was "Healing Ancestral Shadows: Using Tapping to Break Generational Chains."
