Susan Crosthwaite, BFD Director; Keiko Brouard, BFD Matching Supporter; Jennifer Nkumu, stepping down

Jennifer responded to a call to help out the BFD in 2016, and continued for almost two years rolling out some excellent programs for the UK BFD.

Many of you will remember the "Blessing Information Days" and "Introduction to the Marriage Course" which she brought to your region.

Jennifer also represented our BFD at the European BFED Annual meeting in 2016. Our thanks are long overdue.

I also wish to thank her formally here for her generous and compassionate support for me during a trying time. Wishing you Jennifer, abiding success in caring for your family and developing business ideas.

Jennifer's passion about the Blessing values and people's personal happiness put great energy into her work.

Jennifer, your loyal and caring efforts to support the UK Blessed Families are greatly appreciated and cherished by those you served.
