

# LOCAL PEACE COUNCIL IN ELBESAN BEGINS WITH TREE PLANTING AT THE CHILDREN'S HOSPITAL

Suzana Sulejmani - December 28, 2013

Following the plan after the meeting on 16 December, the Local Peace Council of Fier district could complete a half day project of planting trees at the public surroundings of Fier Childrens Hospital. It started at 10 AM on 28 December 2013 with the participation of 11 ambassadors for peace and two guests from Presiding Council - Mrs. Kozeta Zavalani (Tirana LPC chair) and Mr.Sokol Rexhepi (UPF Albania Secretary general). An important participant was the city mayor - Mr.Baftjar Zeqaj, recently appointed as ambassador for peace.

The event opened with short interviews to the local TV stations present. First Mrs. Cepele. Chair of Local Peace Council in Fier thanked the participants and explained on the aim of this initiative: "We hope to inspire every citizen to improve and care for the environment that supports a peaceful coexistence." She also stressed that AfPs are educated people that promote high human values and UPF principles like tolerance, understanding, harmony and solidarity to build a peaceful ideal world. Fier Ambassadors for Peace contributed each in buying and planting a tree in the territory surrounding the Children's Hospital of Fier, the director being Mrs.Antoneta Dhima – an ambassador for peace herself.
