

In DR Congo, Youth Department of West Africa creates program for 2nd Gens

Jean Tchibanda
December 25, 2016

As Mr. HIROKI director of Youth Department of West Africa region was visiting our nation, in order to stimulate young talents, we organized a cultural evening animated by children of the second generation On December 25th 2016.

The program included choir, singing, dance, folklore, design, fashion show and martial arts. More than 150 children expressed their talents in these various fields in front of the entire community of our church who enjoyed the shows.
