WFWP Spain held a Charity Concert and food/clothes Bazaar in Madrid on 10th-11th of December 2022 in order to raise funds for a humanitarian project being developed by WFWP Ukraine.

Many visitors attended both events with the aim of contributing in one way or another to support this relief project already initiated in Ukraine.

A total of 3000 euros was raised for this purpose. The Japanese organisation called Jeong Seong Hwe in Spain donated 500 euros to the cause; another organisation called Tongil donated 600 euros, and the rest was raised both in the Bazaar and Concert.

A big THANK YOU goes to all our sponsors who invested in different ways to make this event and its result possible!
