Dear family,

We are sad to share with you all that our dear friend, sister, and long-time member Fumiko Bruner passed away tonight. She passed peacefully but unexpectedly, and we know this will be a big shock for all of you who knew her. As we begin preparations for her Seonghwa ceremony, we ask for prayers for her smooth transition to the spirit world. She is loved by many and will be dearly missed until we see her again. Further details and information will be sent out when we are able.

It is our tradition to set up a prayer chain when someone passes, to help them transition smoothly to the spirit world. Please consider [signing up for a 1 hour slot](#). This time can include prayer, singing, meditation, etc.

If you are able, please consider supporting David and Reuel with a meal. We've created a meal train sign up. You can [sign up to bring them a meal or order one](#) to be delivered at their home.

Sincerely,

Pastors Mike and Adonia
