IRFF UK is having a virtual Open Day and we are pleased to invite you to join us on Saturday 21st November at 2 pm UK time to meet some of the team and hear about what we are doing as well as what we are planning.

IRFF UK has been working away in the background for decades since 1980 but recently expanded its efforts to assist capable people in Africa to self-sufficiently provide services – educational, medical, agricultural – to folk in their particular country. IRFF UK is proud of what has been achieved so far, but wants to achieve a lot more.

For this occasion, lasting just about 1 hour, we are particularly inviting specially chosen people to join us:

- As many of the roughly 100 donors who have donated to IRFF UK so far.
- Every person who has an interest to hear about what we have been doing and where we are seeking to get to next, possibly those who would like to support IRFF UK in some way by donating or even to volunteer for us in a variety of positions available.

We really hope that you can find time to join us for an hour using the Zoom link zoom.us/j/2260242931
