

Day of Family, Love and Fidelity in Yekaterinburg

Sergey Nikolaevich Chupilov - July 11, 2019

In the Russian city of Yekaterinburg, a celebration of the Day of Family, Love and Fidelity was organized and conducted by our brothers and sisters together with the administration of the Oktyabrsky district.

At the July 11 celebration organized by Chapaevsky district managing company, the head of the company gave a report on the work it has done, in which FFWPU members actively participated. As a result of these projects, our sister became the chair of the Chapaevsky company and five brothers and sisters became board members. True Father spoke about achieving *tongban gyeogpa* ("grass-roots breakthrough"), and this is the same level for our district.

The Rays of Good studio (second-generation children) performed dances and songs, as did a choir from an Orthodox church and other children and adults. Dagestan and Russian-Yakut families also performed, reminding us once again that the Ural Federal District is a place where 160 nationalities live.

About 200 residents of different ages attended the celebration. Of these, 100 adults received the pre-Blessing. We will pray for them and continue projects related to families in order to transmit the substantial Blessing from True Parents.
