Yard Sale for “Schools of Africa”

WOMEN'S FEDERATION FOR WORLD PEACE USA

In the early 90s, the founders of WFWP commissioned 1600 volunteers from WFWP Japan to serve in underdeveloped nations. With willing hearts, these women went to the poorest nations, to neighborhoods in every corner of the world. They started schools, fed the undernourished, and worked to empower women.

Inspired by their dedication, WFWP USA initiated the “Schools of Africa” project to financially support 9 schools founded by those faithful volunteers.

SUPPORT FROM WFWP USA

Each year, WFWP chapters across the country hold dynamic and creative fundraisers for the Schools of Africa. Fundraising events may take the form of tag sales, silent auction galas, or luncheons that celebrate African food and culture.

Since 2002, WFWP USA has sent over \$410,000 to the schools.

This invaluable support has helped the schools purchase critical materials for lessons and provide scholarships to impoverished students. Contributions from WFWP USA has also supported school feeding programs, expanded and improved facilities, and paid for skilled staff. Many of the schools operate in the poorest neighborhoods, and have come to serve as a source of stability to their communities.
