Global Family - Japanese Culture Night

On Friday, November 3, CARP of Ekaterinburg city of Russia organized a Japanese Culture Night as a part of ongoing project "Global Family". There were many guests invited by CARP members and Blessed Families. During event guest not only had a fun but learned basic Japanese expressions and practiced to use them, learned to do origami. It's really nice that such culture events could be a cool platform that families can rely on. As always guests stayed until very late and did not want to leave. You can watch short video [here](#).

Movie Club

On Saturday, November 4, CARP organized a movie club. Three new guests and members watched Kazakh film "Way to Mother". It touched hearts of every one. After the movie participants had deep and profound discussion.
