Russia, Yuriy Gavrilin, October 14, 2018

14.10.18 Festival of families passed in Kazan (Russia). Three stages of Blessing were passed by one pair. Brothers and sisters invited more than 5 pairs, but they or were far late, or did not come. The program was well-prepared, hall - good. Minus is small pairs.

Pluses - Blessing passed in the first time for many years, brothers and sisters understood that it is necessary to be anymore inlaid in guests internally and externally, similarly though and late, but those, who went away from UM centuries ago and created family came. Relations are restored and pairs will be more next time.
