

Day of Family, Love and Fidelity

Yuriy Gavrilin - November 18, 2018, Novosibirsk

On Sunday, November 18, a program for couples called “Day of Family, Love and Loyalty” took place in Novosibirsk, in which more than 30 people took part.

The holiday was held in a joyful atmosphere. A very interesting family quest and lottery were organized for married couples; husbands and wives sang songs for each other; and the children helped their parents as much as they could.

The central part of the program was the ceremony in which couples renewed their pledge of conjugal fidelity. Two couples took part in this ceremony.

The program helped the couples to understand each other better and welcomed all participants.
