HJAF 2021

Date: 5.12 by the Heavenly Calendar in the 9th Year of Cheon Il Guk

June 21, 2021

Dear Regional, Continental and National Leaders,

May the love and blessing of Heavenly Parent and True Parents always be with you as you work hard in the forefront of Heaven's providence.

At this time, Hyojeong Academic Foundation is preparing to publish a new journal which in the future we hope to register with SCOPUS, an international, scholarly, peer-reviewed journal association.

To this end, we would like your help as we research to identify scholars, connected to you or our movement, whose names are listed or who have published in journals already registered with SCOPUS, as editors, contributors, consultants, or judges.

Would you please let us know the names, institution, position, already published academic work and pertinent contact information such as e-mail address and telephone number, of any scholars who might be able and willing to be listed as a member of this journal's "Editorial Board" or as a contributor?

Please kindly send to hjacademy1@gmail.com by June 28, 2021.

*Thank you.
Heartfelt Regards,*

Chairman Dr. Jin Sung-Bae
