Dr. Yong Wants to Pray for Your Family

Our Regional President Dr. Chung Sik Yong would like to get to know all of us and would like to be able to see our faces and families, while he prays for each one of them in America.

To help him get to know who are the American Blessed Families that make up the American Movement, he asked that we create an album with our families information and photos.

Use the form below to answer a few simple questions and upload photos:

[Fill Out Form Here](#)

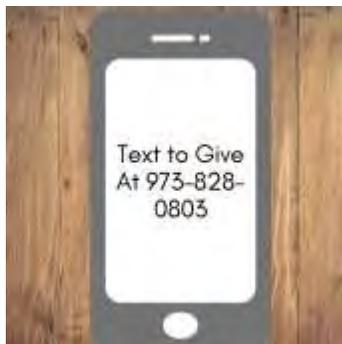

The form will ask you how many members in your family, and based on that, you'll be able to enter information for all the family members in one form. Please answer all the questions as much as possible, and upload the photos for each member of the family including a family photo, when the form is prompting you.

The form shouldn't take very long, and is quite simple.
