

FFWPU Hungary Back to the Roots - 7-Day Divine Principle Workshop

Gyorgy Kozma
August 15 - 21, 2022

During the workshop, we had the chance to hear lectures about the 1st and 2nd chapters of the Divine Principle, which for some was a new experience, and for others, it was a good reminder.

An almost brand new staff crew organized the whole thing (Erika Granc, Nóra Granc, Marko Skrodzki, Olivér Bajor) with some extra help from our sports coordinator (Kristóf Horváth) and kitchen staff (Jennifer Zahora, Tamara Cser) and team leaders (Bogi Albert-Tóth, Evelyn Ciuca, and Olivér Bajor).

These people and some 1st generation lecturers (Gábor Albert-Tóth as workshop parent, Ágnes Berta and Anikó Simonné Brosch) helped to show an example to the younger ones, to deepen their relationship with God and to learn more about the Divine Principle.

The workshop had 25 people participating and gave us an opportunity to spend the week as a big family, to get to know each other more, and study our beliefs.

Thank you all for your trust and help to organize this workshop.
