

Witnessing in Istanbul, Turkey: Middle East Youth Envoys and Albanian Team

Artan Kurti
June 15, 2018

During the past month for every week together with the Middle East Youth Envoys team and the Albanian National Leadership Training Program Team, who joined us for a period of time, we have organized daily witnessing in Istanbul.

We created a very successful weekly cultural evening program, every Thursday, with themes from different countries.

Our guests are inspired and we follow up with Divine Principle lectures.
