On July 3rd 1995, True Parents met with the former President of Guatemala, Ramiro DeLeon Carpio, (rip) early morning. They met again that day for lunch at Camino Real Hotel, with other members of the government.

Later the same day we have the main event at the Salon Los Lagos, at the same hotel with two hundred guest.

The speech "True Family and I" was read by True Father.

True Parents stayed in Guatemala on the 1, 2 and 3. On Sunday 2 they visited the Tikal site at the north of Guatemala where the Mayans pyramids are.

Thank you True Parents for blessing Latin America with Your heavenly presence.
