Memorial Service:

12th November

The 11th hour of the 11th Day of the 11th Month is Remembrance Day, when we remember the sacrifice of those who gave their life for our nation. Likewise we remember those family members who have gone to spirit world before us. Victoria held its memorial service and remembered members in our state who have ascended. After a ceremony we brought up pictures of members who have passed, flowers were offered to them and members shared their fond memories of each individual. Ian Darbshire recently had found a hand written letter from his mother, which he shared.
