

Visiting Rev Blaze in Hospital:

1st March

Dr Yves Moreau Visited Rev John Blaze at Monash hospital. Rev Blaze had enthusiastically attended our first Victorian PCLC watch party and at the time had said that in all his years as a minister he had wished to join a movement like this one. Our hearts truly go out to this wonderful man. Despite having very advanced cancers, Rev Blaze is always quick with a joke.

"It was so nice meeting Rev John again with his good humour" - Dr Yves

Incredibly, Rev John Blaze joined online from hospital as he battled stage 4 cancer. Ministers were welcomed on arrival and joined the watch party in the main Hall. Rev Daniel Meadows & Pastor Nikki Shaw both spoke during the online program. After the conclusion of the online section, 3 local ministers shared their hearts, they were Pastor Steve Khan from the All Saints Urdu-Hindi Church, Pastor Adeniyi Ekine from the King of Glory Model Parish (CSMC) and Pastor John Lamb from the Heart of Focus Church. Participants then shared dinner together, prepared by our members. The ministers gave testimony of their inspiration and desire to attend in the future.

President Hori Visits Victoria:

19th March

Melbourne church members were given a very special and unique opportunity to spend an entire day with President Hori. After a brief meeting in the morning with Rev Daniel, President Hori met with members and received their questions. Pres Hori's insight and wisdom was very welcome, as was his down to earth attitude. The most engrossing topic was his deep insight into the assassination of former President Shinzo Abe, the political workings behind it and the collusion between the media and government to persecute the Unification church. The next day before he left we briefly

visited the Old Treasury Building Museum and ate Grill'd, where Rev Daniel pitched the idea that Heaven G Burger should adopt the Grill'd model and become a successful franchise, to which Pres Hori agreed, Aju.
