

Las Vegas Family Church Shine City Project at the Fall Las Vegas Wash Green-Up

Jeffrey Silerio
October 23, 2021

On October 23, 2021, Shine City Project joined several hundred volunteers for the Fall 2021 Las Vegas Wash Green-Up! Not only that, Shine City Project was joined by members of the International Leadership Training Program! ILTP members from the Philippines and Solomon Islands came to join us, as well as from Thailand and Japan! In total, we had 23 volunteers from our two groups!

Our volunteers helped to revegetate an area along the Las Vegas Wash by planting native trees, grasses, and shrubs.

Overall, the Green-Up event attracted close to 400 volunteers who helped to put in over 4,000 native plants across 10 acres in 2 hours!

It was a great time to be shared by everyone!
