On Sunday, May 26, 2019, like all the women of the world, WFWP Côte d'Ivoire celebrated and honored mothers in Abidjan, Abengourou and Divo. We had 120 participants.

At the Yopougon Temple, the event started with the presentation of a bouquet flower to True Mother by Mrs. Yessoh Helen president of WFWP Cote d'Ivoire. She then handed a flower rod to each of the 92 mothers at the celebration, wishing them a Happy Mother's Day. Invited by the MC Mrs. Lydie Kouablan to deliver a message to the women. Then Mrs. Kramoh and Mrs. Yessoh spoke to audience, talking about the victorious journey and the qualities of the True Mother. Mrs. Yessoh invited every woman to follow the model of True Mother and especially to promote true family values.

Our second generation children and the choir animated the ceremony with poems, songs and dances. The dads indulged in the game by magnifying their mom and their wife.

During the event, four mothers honored and they received presents from president of WFWP Cote d'Ivoire.

The cake cut, lunch and family photo ended the ceremony.
