

25th Silver Wedding Anniversary of Hyun Jin Moon and Jun Sook Kwak

Hyun Jin Nim and Jun Sook Nim's 25th Wedding anniversary was held in Seattle on March 31st. Leaders who work in the frontlines of the providence in Korea, Japan, the United States and other countries attended the event despite their busy schedules. Together with Hyun Jin Nim's family they celebrated and offered up all the joy and glory of this significant day to God and True Parents.

Shin Ha Nim, Hyun Jin Nim's second daughter, presented a poem for her father and mother for the occasion. And Shin Won Nim, who will soon be appointed as an officer, gave a special and solemn testimony. Jun Sook Nim shared her experiences of living with Hyun Jin Nim and attending True Parents and the True Family for the last 25 years. In her testimony Jun Sook Nim mentioned one of Father's sermons titled "After time passed by I realized it was love", and shared that she wants to live her life as Father lived his life: never resenting Heaven when faced with difficulties, but accepting the difficulties with gratitude and love, and living a life of overcoming them. Hyun Jin Nim said that today is not only a joyous day for his couple, but that it is an occasion to commemorate the victory of this day together with True Parents, True Family and all Blessed Families, and that it is a moment to offer this glory and honor to God and True Parents. We congratulate Hyun Jin Nim and Jun Sook Nim on their 25th Silver Wedding anniversary.
