Supporters of Hyun Jin Moon again demonstrated against True Mother's changes to Unificationist writings on Sunday August 18, 2013 in an attempt to separate faithful Unification Church members from True Mother.

The Hyun Jin Nim's backers claim that the new version of the Family Pledge, Cheon Seong Gyeong and Peace Messages are corrupt, because they have been changed since 1:54 AM, 7.17 by the Heavenly Calendar in the 3rd year of Cheon-gi (September 3, 2012), when True Father ascended.

The backers believe that True Mother is not qualified to change anything that True Father approved. The backers did not explain why Hyun Jin Moon is exempt from following True Father's words.

Hyun Jin Moon's detractors claim that his supporters are not interested in the purity of scriptures; rather they are trying to disgrace True Mother in hopes of gathering disaffected members to create a "True Unification Church" with Hyun Jin Moon and his wife Jun Sook Kwak as new "True Parents."
