Re. : Information Concerning the “Correction regarding the schedule of the Ancestor Liberation and Blessing Ceremony for 210 Generations”

May God and True Parents’ blessings and love be with all regions, mission nations and providential organizations.

As issued in a previous notice, the True Parents of Heaven, Earth and Humankind have given the strong instruction to all leaders of the world that **all blessed families from around the world should be sure to complete the ancestor liberation and ancestor blessing up to and including the 210th generation by December 31, 2012, before celebrating the Cheon Il Guk Foundation Day** (on the 52nd and 53rd True Parents’ Day events). After receiving such instruction, members from around the world are offering their sincere devotions to complete the ancestor liberation and blessing ceremony up to and including the 210th generation.

The Foundation Day is scheduled to be held on January 13 by the Heavenly Calendar in the 4th year of Cheon-gi (February 22, 2013 by the solar calendar), but in the previous Official Notice the date was wrongly communicated as being January 13, 2013 by the solar calendar. Therefore, we wish to correct this date and notify all the members.

Please note that this official memo is intended for members living outside of Korea and Japan.
