Re. : Information Concerning the Cheongpyeong Workshop Schedule for October, 2012

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

Following the "52nd True Parents' Day" (Cheon-gi 2nd year, March 1 by the heavenly calendar, solar calendar: April 3) True Parents emphasized the ancestor liberation and ancestor blessing on the commemorative event for the "53rd True Parents' Day" (Cheon-gi 3rd year, March 1 by the heavenly calendar, solar calendar: March 22), and addressed the following special instruction to all leaders and received in turn the pledge that all members would fulfill the instruction without fail, this being confirmed before 3 cheers of eog-manse. True Parents special instruction: **"All blessed families from around the world should be sure to complete the ancestor liberation and ancestor blessing up to and including the 210th generation by January 13, 2013(February 22, 2013 by the solar calendar), before celebrating the Cheon Il Guk Foundation Day. Offer the 3 cheers of eog-manse, after making the resolution that you will do the ancestor liberation as far as the 210th generation.**

Ancestor Liberation Ceremonies and historical Ancestor Blessing Ceremonies for generations 1-210 began from October, 2011. Please make a 21-day condition of devotion (breakfast fast or 50 bows) regardless of the number of generations you are liberating in order to conduct the ancestor liberation.

During this time of the blessing of the True Parents of Heaven, Earth and Humankind, **ancestor liberation ceremonies for the generations from 211 until 420 are being carried out (since October, 2011). Furthermore, the ancestor blessing ceremony for the next set of 7 generations is being conducted (since March, 2012). See below for further details.**

Please note that this official memo is intended for those members living outside of Korea and Japan.

3) After conducting the ancestor liberation for generations from 1~7, if the person (your parent or grandfather or grandmother), who is included in generations 1~7 passes away, you must attend a 2-day workshop after writing the name and the relationship with you, as a **“Person who passes away after liberation,”** and offer a donation of gratitude, and then attend the ancestor liberation ceremony. 3. Ancestor Blessing Ceremony (Generations 1-210) Schedule Information

1) Ancestor Blessing Ceremonies for generations 1-210 began from October, 2011 and will be held once a month. Those ancestors, who have passed 100 days from the day when they were liberated, and for which the liberation donation has been fully offered, can receive the ancestor blessing. There is an ancestor blessing ceremony on the third weekend of every month, and when their descendants attend an Ancestor Blessing Ceremony, they can receive the ancestor blessing (Schedule is subject to change).

2) Starting from July, 2002 ancestors who have become Absolute Good Spirits through the blessing come to separate spirits from their descendants during the Chanyang Yeoksa of the Ancestor Liberation Ceremonies. (Angels work with members who have not blessed their ancestors.)

3) Ancestors who became Absolute Good Spirits will be sent to their home automatically by Heung Jin Nim and Dae Mo Nim 40 days after the ancestor blessing ceremony. It is appropriate to conduct a simple welcome home service.

4) When you attend the ancestor blessing ceremony, please prepare holy robes and blessing ring.

5) The donation amount of the Ancestor Blessing for generation 1-7 is set according to national group (as of August 2003). This is offered once for the F and includes all four lineages (F, M, GMF, and GMM). However, if the four lineages are blessed at separate times, a blessing donation of gratitude (same amount offered for generations 8 and above) is made each time you register. It is possible to offer the blessing donation in installments, and to begin blessing generations 8 and above before full payment is completed.

6) The Blessing donation of gratitude for generations 8 and above is offered per group of 7 generations. It includes all four lineages (F, M, GMF, GMM) if you are blessing them all at once, and is offered again each time you register to bless lineages in a particular generational group.

4. Ancestor Liberation and Blessing Ceremonies for generations after the 210th generation

1) Any member who completed the F's side, M's side, GMF's side or GMM's side (any one of the four) ancestor blessing ceremony up to and including the 210th generation, will receive the grace from Heung Jin Nim and Dae Mo Nim of the liberation of their ancestors from the 211th and continuing until the 420th generation. (There is no required liberation donation for this grace. If you conduct the ancestor blessing ceremony for generations 204-210, Heung Jin Nim and Dae Mo Nim
