September 28 2012

Rev. Hyung Jin Moon, the newly-appointed president and CEO of the Holy Spirit Association for the Unification of World Christianity (HSA-UWC) in the United States, is ushering in a time of reverence and faith-strengthening to acknowledge the Rev. Dr. Sun Myung Moon's Seonghwa (Ascension) and to prepare Unificationists for organizational change. He has asked the Headquarters staff of HSA-UWC USA to offer Jeong Seong (acts of devotion) by voluntarily undertaking a 40-day condition of 120-bows daily and/or of reading the Divine Principle daily during True Father's 40-day Seonghwa period in preparation for Foundation Day. Headquarters has prepared time and space for the bowing condition at its offices, but the condition is not restricted to Headquarters-specific locations.

Rev. Hyung Jin Moon explained that a bowing condition may not be for everyone and that each individual has his/her own specific way of offering devotion. In addition, he said that this is a time when Headquarters staff should reevaluate their lives of faith and cement themselves to God's and True Parents hearts through the Divine Principle.
