

The Only Hope (1)

Hyung Jin Moon
April 26, 2015

Let's look at today's hope as we move forward with God's spirit. Amen!

Wow! What a mighty hymn of praise we sang; at the end he says "I raise my hands up, without shame". This is what the body of Christ needs. Amen! Let's look at today's hope.

Let's read the passage from Matthew 24: 35–42

35 Heaven and earth will pass away, but my words will not pass away. 36 As for that day and hour, no one knows, neither the angels of heaven nor the Son, but only the Father. 37 As were the days of Noah, so will the coming of the Son of man be. 38 For as in the days before the flood they ate and drank, married and took in husband, until the day that Noah entered the ark, 39 and they saw nothing until the flood came and overwhelmed everyone. coming of the Son of man. 40 Then two men will be in the field: one will be taken away and the other left. 41 Two women will be grinding at the mill: one will be taken away and the other left. 42 Therefore stay awake, for you do not know on what day your Lord will come.

It gives me the shivers of the Holy Spirit. Glory be to God. Let's focus on those two parts, because Scripture says it will be like in the days of Noah in the Last Days. And here in verse 41 the Scripture says: "Two women will grind at the mill: one will be taken away and the other left". What is this in the Last Days?

Let's look at Genesis 9 and see what Noah's days were like. Let's see what happened. Usually people, when reading these verses from Matthew 24, think about judgment. Today we want to see what Noah's days were from the point of view of the Principle. We usually think of the flood, but what was the true providential event that happened in the days of Noah?

Let's look at the passage from Genesis and read together.

Genesis 9: 22–23

22 Ham the father of Canaan saw his father's nakedness and told the matter to the two brothers standing outside. 23 Then Shem and Japheth took up their cloak, both put it on their shoulders, and walking backwards, they covered their father's nakedness; having kept their faces back, they did not see the nakedness of their father.

Remember when they were on the ark and Noah drank the wine and fainted, and lay there? He had passed out on that boat, and he was completely naked. The Bible says he was naked. You know, as the boat sways, I can imagine his whole body rocking. Its organ sways from side to side. You understand what I'm talking about. And Cam sees this and is ashamed of his father. He is ashamed of his father's nakedness. Because no self-respecting person would get drunk on a boat with his organ slamming left and right. [Translator's note. Then it was pointed out to Hyung Jin Nim that Noah, when he got drunk and lay naked, was no longer on the ark. This episode occurred after the flood. HJN thanked those who pointed this out to him.

But it is very interesting to see that Ham is the father of the Canaanites, whom God later orders to kill and

exterminate. They are all killed. The Israelites are ordered to destroy every single descendant of Ham. I found this very interesting because at this time the real question is: what kind of a child of God are you? Will you be ashamed of your father's nakedness or will you not feel ashamed of his nakedness? It is like in the time of Noah. On the children of God comes the proof. Will we be ashamed of our Father?

Will we forget that Adam and Eve were naked in the Garden of Eden? There is no shame in being naked! You all shower every day, you are naked every day! But those children of God saw him with the eyes of the flesh, they did not see him with their spiritual eyes. That's the man who worked hard for years and years to save their life. He built the ark which is now saving them. They are alive thanks to him. Amen! He's been toiling year after year, being laughed at and scorned, and they're on that ark with their lungs breathing, they're not underwater, thanks to this father Noah.

Yet Ham and his brothers chose to be ashamed of the father who had saved them. What's the song we just sang? "God is our savior. He saved us. God is my healer, my deliverer ". They chose to be ashamed of their father. They could have said, "Oh, Dad is taking a nap. It is free! Look at it. He's free in the wind! " They could have said, "Dad, you've been working hard for the past four years; Come on, cool off, cool off. There is no shame in this. " They could have simply not been ashamed and said, "Dad, we love you. This breeze of the Holy Spirit wants to cool you down. We know where we come from. We know who our father is, we are not ashamed of him ".

It's interesting because last week we looked at the word "diabolos", which in ancient Greek means devil, and we saw that the devil is actually a fisherman too. Do you remember it? The devil fishes because "dia" means by means of, and "bolo" means to cast the nets.

So the "diabolos" or devil catches us by throwing the nets on us. But he has to see us to be able to capture us. So he will check if we are swimming in shallow faith, in shallow water, where he can see us. And we talked about how you have to swim deep into your faith. You have to swim deep so the devil can't see you. He cannot fish you with his net. Do you remember it?

We later discussed this and Kook Jin said, "What kind of fishing did the Messiah do? He fished in the deep waters of the sea ". It is different from the little things you can fish with a net in shallow water. He fished on the high seas. That's where the big fish are. How many know that that's where the tuna are. The deep-sea fisherman is the Messiah. Fish at a deep level. Amen! When our faith is deep, he can draw us, he can bring us to him. Amen? We are like the big tuna he caught, the 1000 lb tuna. And last week we talked about how we have the armor of God. We are tuna with armor. We wear armor; so even sharks that try to bite into us, when the Lord catches us, bounce and are repelled.

For the first time this week the covenant of the Father has returned to earth after the last three years and miracles have occurred all over the world. Here 4 rainbows appeared together. There was a rainbow over the church. There were two rainbows simultaneously in Korea - the Koreans told us. And an extraordinary miracle happened which I cannot share now, but which I will soon share. An extraordinary miracle happened. Some of you know.

Well, we were so excited about the Blessing. I thank all the brothers and sisters who follow us from all over the world, who participate in these broadcasts and studies. We studied the three day ceremony. We studied the three day ceremony openly, without shame! Without hiding anything! The Father has always spoken of the sacredness of the sexual organs, because that is where you come from. That's where the grandchildren come from. That's where the descendants come from. The seed of Abraham was blessed. But in this modern world, for some reason people of faith cannot talk about these things.

Only the devil can talk about it. Only Satan can talk about sex all day long, on TV, on this or that show, on this or that music, channel, or whatever. Only Satan can talk about it. And that is why families and relationships in the body of Christ are falling apart. I have seen that the divorce rate is higher among believers than among non-believers, because the body of Christ cannot speak of the most sacred and fundamental relationship, the relationship of which the bridegroom and the bride belong.

We talked about the three day ceremony in detail. We have examined it. But when we look at the three-day ceremony - I've already talked about it, but I want to repeat it - what position were the women in? What position were you in before you were blessed? You were in the position of fallen Eve, who needs to be restored by Christ. How many sisters know this? And in what position was the husband? Notice that he was not in Adam's position. It's not interesting? What position was the husband in? In the position of the fallen archangel. How many brothers know? Ok! Here, today you are alive, you have the Holy Spirit. You see, the archangel, the fallen archangel, through Christ is recreated as a son of God, because he does the opposite of what Satan did, who tried to place a throne above God for himself, do you remember? The husband takes the position of object and obeys Christ; and even though he is a fallen archangel, through that relationship with Christ he is recreated as a child of God. Uh! God be praised!

The bride is in the position of fallen woman, of fallen Eve, and by meeting the bridegroom, through their

marriage, she is recreated to be the bride of Christ. Remember what a fallen woman means? It means someone who is now in an illicit relationship with Satan. It means a woman who has a relationship with Satan as her husband. Quite right? But through the relationship with Christ, the woman is separated from that relationship and goes to her true love, the bridegroom, who makes her a bride of Christ, recreates her. So think about it. In this situation the Father is in the position of the True Adam.

We didn't know it, but all sisters are like nuns. The nuns in Christianity are all spouses of Jesus. They are all married to Jesus: this is their vow. How many of you come from a Catholic background? All the nuns you met wear a ring on their finger. Why? Because they are married to Christ. Do you understand? So it is not a strange thing to understand that all the people of the world, as the body of Christ, all believers will marry with Christ. This is part of the history of Christianity: waiting for the bridegroom. Even you sisters all over the world, if the Father had ordered you to remain single for life, you would have obeyed. You would be like nuns for life.

Basically you were nuns when the Father did your matching. Someone did a 7-year celibacy course, someone did it longer, didn't they? But you are the nuns, you are the brides who met the Messiah when he arrived. All the nuns in history - thousands, thousands and thousands of women gave their lives to marry Jesus - but you are the brides who took him when he returned. You are the ones who got it. Amen!

I want you to get it into your head that this is an amazing thing. It's incredible. You have reaped the harvest of 2,000 years of brides who have waited for the bridegroom. That is why it is called "Blessing"! Because all of history has been waiting for this: the wedding feast of the Lamb. You have become a bride of Christ and Christ has given you to his son. He gave you to one of his sons. You were his, but he gave you to his son, the son who was obedient in front of him, who was recreated by a being who was in Satan's archangelic domain - under Satan's rule - to a son of God He gave it to you to love and protect him as the adored bride of Heaven. Do you understand what kind of gift we have received, we Cheon Il Guk knights? We have received the bride of Christ and we love and protect her with our life.

Do you remember Scripture, the passage from the letter to the Ephesians we saw last Tuesday? In the beginning it said that husband and wife will submit to each other in Christ. The wife must submit to her husband. How can a wife naturally submit to her husband? If she realizes that she has received a child of God who has acted completely opposite to what Satan did by obeying Christ and separating himself from Satan to be crowned as a child of God, she will respect this man; she will respect him if she knows what he had to do to stay in that position of obedience. Many other men ran away, but that man remained obedient. That man stayed with Christ. He was with him in faith and love. That is why the scriptures invite wives to respect their husbands unconditionally, to change them through respect. And of course husbands are called to love their wives unconditionally.

You see, when we understand where we stand in relation to Christ, we will see the true power of our marriage. We will see where the true power of our Blessing comes from. It is not a boy and a girl who meet, date and get married. Here are spiritual relationships which are eternal, which are founded on the victory of faith, love and obedience. Do you see what your Blessing has? He is in this position of victory in faith, love and obedience.

It's extraordinary, because when we gave the Blessing and the Father's covenant vows came back to earth, there was like a spiritual wave - as you see in the movies when the superhero whizzes by - whuuu! There was a spiritual wave that exploded in full, and miracles started happening all over the world. Now we have blessed children from Europe, North America, Japan, Korea, who write and say, "I need to be under the covenant." They are realizing. People are waking up, they understand that they need to be under God's covenant. They have been deceived, that's true, but now they understand that they have to come back under God's covenant.

I remember a brother telling me, "When you were giving the Blessing, I looked at the True Parents throne and saw that the Mother's chair was empty. You have left your position, but my question is: who is sitting in that chair now? Who has to sit in that seat? " And I told him: your wife has to sit down ". Angela, Leila, Kerry. Miho san. All brides have to sit in that seat and you have to understand the incredible position you are sitting in. Sit there and surrender totally, totally, to your subject.

You don't have to try to tower over him or sit on top of him as a bride. You have to love it. You have to raise him up as your King. You have to show how much a bride loves her husband. Here is who has to sit in that seat. Each of our sisters must understand her true identity as the queen of heaven. The only way to save the True Mother - because she is the Queen who represents all brides - is for brides to be true brides, who are not ashamed of their relationship with their spouse, and love him more intensely, crave him more. intensely, desire it more intensely.

Can I be frank with you today? Ok. I will be frank. Every single day - it seems almost every day - I receive testimonies from couples, from blessed families who call me and tell me: "You know, a few years ago, or even recently, the spirit of God has come, the returned Jesus has come, the Father is came, (they

are one) the Spirit of God came and wanted to make love with my wife. This is what they tell me. Christ wanted to make love to my wife, he wanted to be intimate with her and I, as a husband, was happy!

Uh!!! Why did you all suddenly go so quiet? Do you understand what a groom and a bride are? It is not a friendship relationship. It is not even a relationship between brothers and sisters, or between parent and child. The relationship between the groom and the bride is the most intimate relationship you can have. And you women are blessed; you are blessed that we, as children of God, can relate to God's love, can dedicate our lives to Him, serve and protect Him as His children, glorify Him - this is true. But you have a gift. He can love you more deeply, he can be more intimate with you as your spouse. You have an extraordinary consecration that you don't even realize you have. Many people came from Korea and almost each of them told me this testimony again; and I have heard it many times even from Western brothers and sisters. But they come to me and shyly say: "Hyung Jin Nim, I need to tell you something, can we meet in private? I need to talk to you in person. Can I share something with you? " "Ok, but let's make sure it's in a public place!"

I have had this experience too many times. Sir, you must stop trying to secretly tell me about your spouse. There is only one being on earth who can make you ashamed of wanting to love your spouse. Only one. Do you know what it's called? It is called Satan. How can someone come to my wife and make her feel ashamed that she wants me or wants to make love to me? No one can come and make her feel ashamed of this, because this is the fruit of the bride and groom. Amen! No one should be able to make you ashamed of being intimate with God. Do you understand what I mean? But we have doubts because Satan is the father of lies, we have doubts about the idea that we cannot talk about these things.

We are afraid that people might react when we say, "Christ is intimate with me, he is the lover, the lover of my soul. He takes possession of me spiritually and makes love to me through my husband. This is the testimony I have received from all over the world; and I know that 80% or 90% of the sisters have experienced it; just don't tell anyone. You know who your spouse is. Your spirit, your soul knows who you will serve for eternity, who is in subject position on your life.

This was the Father in the early days of his ministry. Look how glorious he is in his white robe.

Remember, this is what the Father looks like in the spirit world. When he visits you, this is what it looks like. In the spirit world it will appear in its most vibrant form. Of course when I saw him directly and met him, his face shines with light and his presence is so powerful. But he is Jesus who returns; Jesus returned in the flesh. What does it matter if he is Korean? That's not the point. Jesus was a Middle Eastern man. It's not to say that you like Middle Eastern men more than whites, or Middle Eastern Jews more than blacks. It is to say that you love Christ. Here's what it is.

You see, we are in the days of Noah, because the question is this: will you be ashamed or will you be proud? You will hide your secret that you can only privately tell your pastor, or you will be strong and proclaim it and step forward with no shadow over who you love. This is the time of Noah. The era of women that the Father proclaimed is not a "delusion of power" it is a "delusion of love". It's not: Oh, if all the women of blessed families become presidents, ambassadors to the United Nations, the world will change. I guarantee you it will not change. It is not a "delusion of power". The era of women that the Father spoke of before he died are women who love him.

Remember when he explained the era of women? Women have a motherly spirit, a spirit that nourishes but is connected to Christ. How are you doing him as mothers? How are you wanting and looking for it? Are you ashamed of your relationship with Christ? Are you ashamed? Do you think your purpose in life is to come into the world to meet a particular physical man? So you can live with him for a few decades and then die? What perspective do you have of your life? Why are you put here in the time when the Lord returns, when the bridegroom bears the seed of God? Why are you here? Are you here to do the things I just said, fleshly and earthly things only? Or are you here to totally transform your generations, your lineage, to graft yourself into the olive tree?

I believe that in this time there is only one way to save the main Bride, the Mother. Only one way. We Cain and Abel have made our responsibility. Now is the era of women. Church women need not be ashamed of their spouse. If you are ashamed of your spouse, the True Mother is lost for eternity. If the women of the church do not take a stand, they do not love their spouse more intensely and remind the True Mother what it means to be a devoted and loving object partner, who does not want to dominate, subjugate, overwhelm, proclaiming that she has learned nothing from the Father. No, her true original heart is when she first became a bride of Christ. Now it is the women of the world, who are the promised brides of the Lord, who can show her the example of love. Do you understand how important this is? If you don't, what will happen? What kind of repercussions will there be for the Mother's eternal life?
