

As America's most controversial pastor, we held a mass wedding ceremony where brides and bridegrooms dawned crowns and AR15s in thanksgiving to God

Hyung Jin "Sean" Moon
June 30, 2018
Rally for Freedom - Sunrise Florida

Distinguished guests, patriots, lovers of God, guns, freedom and country it is our great honor, to welcome you to today's Freedom rally. As "America's most controversial pastor," like my Father the late Rev. Sun Myung Moon, we held a mass wedding ceremony where brides and bridegrooms dawned crowns and AR15s in thanksgiving to God for the gifts of co-heirship, co-king/queenship, marriage, family, sovereignty, liberty and self-defense. That's probably why I am frequently referred to by many as a "heretic," "cult leader," "gun preacher" and a most recently hate preacher by the Southern Poverty Law Center, but they have put every conservative including the President on their "hate watch list."

When we look at the story of Genesis and Adam and Eve in the Garden of Eden, God commands Adam and Eve (or humanity), "be fruitful, multiply and have dominion [or subdue] the earth." We can see that God, the Creator of the entire universe, gave dominion and the blessing of dominion over the earth to his children Adam and Eve. The powerful Archangel Lucifer, who aided God in the creation of the world, was not given this inheritance. He was to be the servant of God's children and not the master. However, through the Fall of Eve then Adam, God's children lost their dominion, their purity and their blessings. Lucifer reversed dominion and 1/3 of the angels followed Satan, leaving their proper position as servants and became the masters of humanity.

Our founding fathers knew that government was to be the servant of the people and not the master. But in a short 240+ or so years, the servant government has become the master class. Humanity, or the children of God, becomes seduced with power and a desire to be the Creator, to believe the lie of the devil and trust in the tempting promises of politicians to solve the world's problems with more government, more laws, more surveillance, more regulations and more bureaucracy. The servant of the people, the government, through the seducing of the people with disinformation and "free stuff," over time, became more entrenched, more deeply rooted and more powerful. This results in the reversal of dominion on the national level, and the government which was once there to be the servant becomes the master -- an entity racked with corruption, special interests, illegal spying agencies used on the people, and foreign "pay for play" influence, essentially becoming a totalitarian crime syndicate. This was the trajectory of these United States of America if Hillary Clinton, (a woman who tries to politically destroy all the women her husband has raped) and her top funder, Nazi George Soros, took the White House. Using the full and complete centralized power of the Federal Government along with the prostitute state-run corporate media, she would have censored opposing views, as Google, Facebook, YouTube and others continue to do; she would have taken power over

Federal law enforcement and intelligence, FBI, CIA, NSA, BLM etc. to be used against the people (as was seen in the Bundy crisis). The Dept. of Education would be used to indoctrinate our children into anti-God, anti-gun, pro-abortion ideologies, including the hypersexualization of our children and forcing an alternative lifestyle sexualities, transgenderism and the legitimization of "minor attraction syndrome" or pedophilia upon impressionable young minds (as the UN did with NAMBLA, and as Sweden has done with Islamists who can now marry children legally as brides in Sweden). Most importantly, they would

have used the entire power of the Federal Government to assault and even repeal the 2nd amendment, which she vowed to do within her first year in office. This is where progressivism leads us to -- a totalitarian state, where the elites are above the law, and the entire power of the Federal Government is used to rule over the people, disarm them and tax farm them into abject submission. This is not what God intended for His children from the beginning. This is a dystopian, Christ-hating, hell on earth that these global elitists and their sociopathic power lustings, cult followers and corporate media desire and crave as our future and destiny. Where they can mount America's head on the wall, as conquered and submitted to their tyranny of evil, putting us under UN international control and One World Communist Government.

Our president and all the patriots gathered here are fighting all these titans of criminality and evil. We are fighting for the common man, for Christian values and for our ability to defend our beliefs, our families and our Judeo-Christian civilization. Our movement had the privilege of holding a Gun rights for Europe event in Switzerland with Mr. Larry Pratt of Gun Owners of America last year. This year we hope we can do the same for Asia, Latin America and the world. The right of Self-Defense is a human right and not just an American one. Our fight is for human rights of all of God's children who are oppressed and disarmed, but the fight must be won here in America first.

President Trump and his supporters are called racist, fascist and calls for his impeachment and death abound amongst the radical leftist, cultural Marxist cult members. America is in a bitter struggle for her life and even though there is relief now through President Trump, imagine when the vengeful, spiteful, hateful leftists allied with radical Islam, secure the presidential seat in the future. What will they do to our freedoms, our rights given to us by God, not government? They will go right back to their rabid anti-human agenda of destroying freedom, censoring their opponents, criminalizing dissent, disarming the population and resurrecting the anti-Christian political Satanism or one world Socialism/Communism governance.

In the book of revelations we see the world in this type of chaos. We see the final battle between good and evil. Believers in Christ are scorned, mocked, killed and beheaded as they are in Syria as we speak. One world government rules over the world and there is great groaning and suffering in the land as there is today. However, in the word of God we see a hope and promise. A promise that when Christ returns, he will return with a new name Rev 3:12, and that he will give believers 2 accouterments that will be required in the last days.

The first accouterment is the crown, which symbolizes our sovereignty, our royal lineage and our inheritance that our Father in Heaven has promised -- Psalm 2:8-9 states that "I shall give thee the nations for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel." Jesus states, in Rev 3:11, therefore "hold fast to which thou hast, let no man take thy crown." How is it that the world recognizes the queen of England or the kings of Europe, Africa and Asia, but when you and I, whom they deem to be peasants and slaves, but who are co-heirs with Christ the King of Kings (Rom 8:17), claim OUR kingship and OUR royal lineage we are made to feel illegitimate, crazy and called members of a cult.

God gets to decide how his Kingdom will be ruled. As Rev. 2:27 states, and "And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father." In Rev. 12:5 the bible states, "And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne." Again in Rev. 19:15 "And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God."

The rod of iron is the accouterment that Christ uses, demands and bestows upon the inheritors of His eternal Kingdom. As children of God, it is incumbent upon every man and woman, to embrace the rule of the Rod of Iron and to have a crown of royalty and a rod of iron, which God revealed, is the modern day musket, the AR-15. The evil Mao-tse-tung stated that, "all political power comes from the barrel of a gun" and used that power to disarm and then genocide his own people. Only when good guys have the rod of iron and the good citizens of the world, as co-heirs in God's Kingdom control the power of the firearm, will the cancer of criminality, the cancer of psychopathic school shooters, the cancer of genocidal maniacs, the cancer of tyrannical governments and dictators cease to flourish and "be broken into shivers." Wolves fear the shepherd that carries the Rod of Iron. The simple act of owning a physical Rod of Iron puts fear into the predator psychopathic class. But the sheep are comforted by its presence. As Psalm 23 states, "Though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."

When a good and free people with the Christian ethic of "Love God, Love thy neighbor," have the dominion of the use of force there is peace. When good, God fearing people can exercise their right to keep and bear arms freely, evil cannot prevail. When the power of the Rod of Iron is in the hands of the right people and not monopolized by government, the people can flourish, prosper and protect on another creating win-win enterprises and human flourishing. The kingdom of God is a Kingdom where the God of love, justice and mercy rules and shepherds the world with the reign of the Rod of Iron. This is not a

tyrannical rule of Christ, as that would contradict the Word of God, which says in Hebrews that God is the same yesterday, today and forever.

The God of Adam and Eve gave humanity free will and respected their free will so much as to let them decide to hate and disobey God. God grieving, called his people to repent and to return to Him through the prophets of the Old Testament. God, so loved the world that he gave his only Begotten Son, Jesus Christ, "that whosoever believed on him would not perish and have eternal life" John 3:16. God so loves the world that when Christ's Kingdom comes, it will be ruled with him and his co-heirs with the rod of iron. In Matt 19 he says that "when the Son of man shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel."

In Rev 20:4,6 he says that the co-heirs with Christ will "live and rule with Christ a 1000 years." In Matt 25 he states that the sheep and the goats will be divided and that the sheep will be given authority. God's Eternal Kingdom will NOT be a socialist welfare state for believers. God's Kingdom will be a Kingdom of Kings and Queens that rule with Christ, have authority and responsibilities given to them by Christ and who will co-reign with Christ with the Rod of IRON. By decentralizing the power of the Rod of Iron to all the citizens of the Kingdom of God, God vanquishes evil and smites them into shivers by the collective power that is entrusted to us as His royal children and as his co-inheritors. In Matt 25 the Bible states, "And he shall set the sheep on his right hand, but the goats on the left.

Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world." We implore the body of Christ and good citizens of this world to stop teaching the false doctrine of liberation theology where a socialist "Castro-esque" Jesus will rule as a dictatorial tyrant centralizing all power to Himself. God is not like the dictators of political Satanism and the false monarchies of the past. The true King of Heaven and Earth, is calling us to be co-heirs or co-kings and to stand with him to defend life, liberty, love and goodness by realizing our royal lineage to the King of Kings, Lord of Lords, and to accept the Rod of Iron as the protective accouterment that will defend the Kingdom of God, His people, His culture and His civilization forever.

Let us pray our Lord's prayer: "Our Father who art in Heaven, Hallowed be Thy name, Thy Kingdom Come Thy will be done, on Earth as it is in heaven. Give us today our daily bread and Forgive us our debts as we forgive our debtors. Lead us not into temptation but deliver us from evil. For thine is the Kingdom, the power, and the glory forever,

Amen.
