Distinguished guests, patriots, lovers of God and country, guns and freedom, it is our great honor to welcome you to the 4<sup>th</sup> of July Independence day Celebration of America from the Tyranny of Britain and Europe. On this day in 1776 our founding framers signed the Declaration of Independence, which declared that the thirteen American colonies

were no longer subordinate to the orders of king George III of Britain. They stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from Britain's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other Founding Fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that American must be destroyed and Marxism erected in its place.

Contrary to what the leftist communists say about the Founding Fathers, history shows a different picture. They were NOT deists who believed in the possibility of God, they were Christian intellectuals with some varying opinions of doctrinal matters, but they were NOT agnostic or atheist. Benjamin Franklin wrote that he was a deist but then realized the stupidity of such a position. Montesquieu, Blackstone and Locke were the 3 most widely quoted philosophers by the Founding Fathers and they were ALL Christian philosophers, not secular materialists!!!

So why were our Founding Fathers willing to listen to the conscience within that yearned and cried out for liberty and independence from George III? Why were they willing to die for such a cause? The answer lies in God's Word.

When we look at the story of Adam and Eve in the Garden of Eden, God commands A&E (or humanity), "be fruitful, multiply and have dominion [or subdue] the earth." We can see that God, the Creator of the entire universe, gave dominion and the blessing of dominion over the earth to his children Adam and Eve. The powerful Archangel Lucifer, who aided God in the creation of the world, was not given this inheritance. He was to be

the servant of God's children and not the master. However, through the Fall of Eve then Adam, God's children lost their dominion, their purity and their blessings. Lucifer reversed dominion and 1/3 of the angels followed Satan, leaving their proper position as servants and became the masters of humanity.

In the same way, the bible shows how nations come to become enslaved to leftism, socialism, communism, and political satanism. The men and women of a nation are in the position of Adam and Eve—they are to have dominion of their nation, under God, and to be the masters of their land. Government is in the position of the Archangel, who has power, but must be the servant of Adam and Eve. When Governments leave their proper position as servants to the people, they are now in the position of the fallen Archangel, Lucifer who stole the inheritance God gave to His children, becoming the masters instead of the servants.

America is in a similar crisis today. As we have become a more and more secular nation we have become a more pagan nation. We have taken the Word of God out of our schools. We have allowed the removal of prayer and the Ten Commandments from our halls of learning and justice. We have stood idly by as fellow Americans murdered over 70 million babies in the womb since 1973. We have participated in a culture of licentiousness, children out-of-wedlock, pre-marital sex, and a culture where the most powerful people in our land are involved in sex trafficking, Luciferian worship and pedophilia.

When we observe how Lucifer destroys the citizens of a nation we can see that He uses government to fund the misuse of SEX, POWER and MONEY. During the Cultural Revolution in China, Mao Tze Tung, promoted the dissolution of traditional marriage and encouraged a sexual revolution to “free” young people from the slavery of marriage. He encouraged free sex culture, pre-marital sex, and sexual exploration, which precipitously degraded the morals of the people and gained their favor to secure more POWER and MONEY. The Democratic Party in America has done the same as the Communist Party in China. After all how can a people stand against evil when they have themselves become evil?

Mao started a SEX blackmail campaign providing prostitutes AND CHILDREN to powerful men and capturing the incidences on record (parallels to Epstein and Ghislane Maxwell). He ordered the killing of property owners as they were “stealing” from the

proletariat and financed groups of roving teens to riot, create chaos and murder his political enemies—something very similar to what we see with George Soros and the elites of Hollywood funding BLM and Antifa today. Again Luciferian government uses SEX, MONEY and POWER to buy the people and to entrap political enemies. And that is why our Founding Fathers knew that government was not in the position of God but rather Government was in the position of Lucifer, who was to be a good servant of the people and not a sinful master.

The Founding Fathers of America saw the destruction of Europe under the hands of a centralized governmental model. They instituted checks and balances in America to guard against such Luciferian models of government. But today, we see that most American cities, led by leftist mayors and bureaucrats have created a model which disarms the public, regulates all forms of human interaction, censors its enemies, controls the powerful propaganda media and ensnares powerful leaders in pedophile rings and sex trafficking abuse.

Our Founding Fathers knew that power corrupts absolutely and thus started America with a decentralized model of governance. For example, they instituted the Sheriff model of law enforcement where the Sheriff was elected by the people and thus accountable to the people, as opposed to the European State Police system, where the Police chief is appointed by government officials and thus are NOT loyal to the people, but to the government officials. Many leftist American cities, have adopted this EUROPEAN model of policing in the cities and thus there is a great feeling of oppression, wrong-doing, unaccountability to the people and injustice that many peoples in the cities feel. This feeling, which is what our Founding Fathers also felt with regard to the British State police model, has been exploited and powerful communist and socialist entities are funding a communist cultural revolution here in America.

In the last few months we have witnessed the most egregious infringement of civil liberties in modern American history. We have seen curfews and confinement orders, social distancing mandates, church shutdowns, people arrested for playing at parks, surfing during lockdown, forced to wear masks, and our economy being devastated by the Chi-com virus. Something so much more sinister than the coronavirus is that AMERICA IS

BECOMING like China, especially if they defraud President Trump and the American people of a victory in 2020 through mail-in ballots and massive voter fraud.

In the book of Revelation we see this final battle between good and evil. Believers in Christ are scorned, mocked, killed and beheaded as they are throughout the world as we speak. One world government rules over the world and there is great groaning and suffering in the land as there is today. The world worships the Beast and takes its mark, which of course is Government as the anti-Christ system.

However, in the word of God we see a great hope and promise. A promise that when Christ returns, he will return with a new name (Rev 3:12), and that he will give believers 2 accouterments that will be required in the Last Days. In our tradition we honor our True Father as the returning Jesus, who exposed the Satanic nature of Communism, established the mass wedding movement to establish God-centered marriages and families, and established His Kingship line which has coronated patriots and freedom fighters from all over the world as kings and priests of God's Kingdom.

Rev 1:5 says, that "Jesus Christ the faithful witness and the first begotten of the dead and the prince of the kings of the earth, has loved us and washed us from our sins by His own blood and hath made us KINGS & PRIESTS unto God and to His Father." Paul calls believers a "royal" or "kingly" priesthood who will not only rule the nations, but "do you not know that we will judge the angels?" (1 Cor 6:3).

Rev. 2:27 states, and "And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father." In Rev. 12:5 the bible states, "And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne." Again in Rev. 19:15 "And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God."

The rod of iron is the accouterment that Christ uses and bestows upon the inheritors of His eternal Kingdom. Wolves fear the shepherd that carries the Rod of Iron. The simple act of owning firearms, the Rod of Iron, puts fear into the predatory class. But the sheep are comforted by its presence. As Psalm 23 states, "Though I walk through the

valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.”

When a good and free people with the Christian ethic of “Love God, Love thy neighbor,” have the dominion of the use of force there is peace. When good, God-fearing people can exercise their right to keep and bear arms freely, evil cannot prevail. When the power of the Rod of Iron is in the hands of the right people and not monopolized by government, the people can flourish, prosper and protect one another, creating win-win enterprises and human flourishing.

The kingdom of God is a Kingdom where the God of love, justice and mercy rules and shepherds the world with the reign of the Rod of Iron. This is not a tyrannical rule of Christ, as that would contradict the Word of God, which says that God is the same yesterday, today and forever.

In the spirit of 1776 and independence from a Satanic king, we must reject the false Leftist doctrine that America and Judeo-Christian values are evil. We must reject the false Leftist doctrine that Marxism is good and will create Utopia. We must reject the false Leftist doctrine of liberation theology where a socialist/communist Jesus will rule as a socialist governmental leader, centralizing government and power of the State. None of our Founding framers ever believed that, in fact they believed the opposite—that God has given WE THE PEOPLE sovereignty and that no government bureaucrat or person gives us our rights, but that they are endowed to us BY OUR CREATOR--ALL MIGHTY GOD HIMSELF!!!

God is RADICALLY DIFFERENT from the dictators of political Satanism and the false monarchies of the past. The true King of Heaven and Earth gives us a Kingdom of Freedom, Liberty, Love and Responsibility. We are a part of His Holy Army, soldiers with the holy hosts of Heaven. He is calling us to be co-heirs and co-inheritors and to stand with him to defend life, liberty, love and goodness by realizing our royal lineage to the King of Kings, Lord of Lords, and to accept the Rod of Iron that will defend the Kingdom of God, His people, His culture and His civilization forever.

On this 4<sup>th</sup> of July let us vow to forever resist Tyranny, Leftism, Socialism/Communism and political Satanism worldwide and pray together as the Lord taught,

“Our Father who art in Heaven, Hallowed be Thy name, Thy Kingdom Come Thy will be done, on Earth as it is in heaven. Give us today our daily bread and forgive us our trespasses as we forgive those who have trespassed against us. Lead us not into temptation but deliver us from evil. For thine is the Kingdom, the power, and the glory forever, Amen.”
