

Pastor HJ Sean Moon

Invocation at the Bognet BBQ, PA

Oct 25, 2020

Our Father in Heaven,

We stand against the enemies that try to tear down this land.
We stand against the politicians that try to strip the people of their God-given freedom.
We stand against the evil forces that are being funded internationally from the Chinese Communist party through different Soros and bankers, etc, and
We stand against the type of socialism that they are trying to force upon us on this land!

God, all the folks that lost their lives to defend this land, all the American blood that has been spilled across the world is screaming out from the earth, begging us and animating us; giving us the spirit of God and the Holy Spirit descending from on High, so that we may stand against the wickedness that faces us at this current time.

We pray for your hedge of protection upon the President, upon Mr. Bognet, and all the folks that are standing up against this terrible totalitarianism that is coming, and we ask that You would put confusion into the enemy camps, that their camps may be confounded, and all the wiles and the fiery darts of the enemy would be put out by the shield of faith that we hold before You today.

We thank You and give You all the praise, glory and honor,

In your precious name we pray,

Amen and amen!
