The Central Figure

2022. 11. 20 - TN

Shout out to everybody in PA, King Kyle, and to David for that beautiful gift to Shuichi. He's a young king now. Praise God! Great people!

It is an amazing time, folks. Let's go to our scripture today. We have a lot to cover, so let's get into it. We're in Joshua chapter 22. This is a very interesting chapter. Let's read through the whole chapter quickly so we do not miss any of it and we have a general picture. Let's read together.

Joshua 22:1-34

- 1 Then Joshua called the Reubenites, and the Gadites, and the half tribe of Manasseh,*
- 2 And said unto them, Ye have kept all that Moses the servant of the LORD commanded you, and have obeyed my voice in all that I commanded you:*
- 3 Ye have not left your brethren these many days unto this day, but have kept the charge of the commandment of the LORD your God.*
- 4 And now the LORD your God hath given rest unto your brethren, as he promised them: therefore now return ye, and get you unto your tents, and unto the land of your possession, which Moses the servant of the LORD gave you on the other side Jordan.*
- 5 But take diligent heed to do the commandment and the law, which Moses the servant of the LORD charged you, to love the LORD your God, and to walk in all his ways, and to keep his commandments, and to cleave unto him, and to serve him with all your heart and with all your soul.*

Remember that's echoed also in the New Testament when the Pharisees asked Jesus, "*Which is the greatest commandment?*" He said, "*Love the Lord thy God with all your heart, soul, mind and strength.*" (Mark 12: 29-30)

6 So Joshua blessed them, and sent them away: and they went unto their tents.

7 Now to the one half of the tribe of Manasseh Moses had given possession in Bashan: but unto the other half thereof gave Joshua among their brethren on this side Jordan westward. And when Joshua sent them away also unto their tents, then he blessed them.

So, he gave some land on this side of the Jordan to half the tribe of Manasseh and some land on the other side to the other half of the tribe. That's why in this chapter you're going to keep hearing about the half tribe of Manasseh; that's the one on the Eastern side.

8 And he spake unto them, saying, Return with much riches unto your tents, and with very much cattle, with silver, and with gold, and with brass, and with iron, and with very much raiment: divide the spoil of your enemies with your brethren.

9 And the children of Reuben and the children of Gad and the half tribe of Manasseh returned, and departed from the children of Israel out of Shiloh, which is in the land of Canaan, to go unto the country of Gilead, to the land of their possession, whereof they were possessed, according to the word of the LORD by the hand of Moses.

Now Shiloh is where the Tabernacle was and that of course was where the altar of God was. We're going to see that coming back to haunt us just a little bit further.

10 And when they came unto the borders of Jordan, that are in the land of Canaan, the children of Reuben and the children of Gad and the half tribe of Manasseh built there an altar by Jordan, a great altar to see.

11 And the children of Israel heard say, Behold, the children of Reuben and the children of Gad and the half tribe of Manasseh have built an altar over against the land of Canaan, in the borders of Jordan, at the passage of the children of Israel.

12 And when the children of Israel heard of it, the whole congregation of the children of Israel gathered themselves together at Shiloh, to go up to war against them.

13 And the children of Israel sent unto the children of Reuben, and to the children of Gad, and to the half tribe of Manasseh, into the land of Gilead, Phinehas the son of Eleazar the priest,

14 And with him ten princes, of each chief house a prince throughout all the tribes of Israel; and each one was an head of the house of their fathers among the thousands of Israel.

The Western Tribes' Accusation:

15 And they came unto the children of Reuben, and to the children of Gad, and to the half tribe of Manasseh, unto the land of Gilead, and they spake with them, saying,

16 Thus saith the whole congregation of the LORD, What trespass is this that ye have committed against the God of Israel, to turn away this day from following the LORD, in that ye have builded you an altar, that ye might rebel this day against the LORD?

17 Is the iniquity of Peor too little for us, from which we are not cleansed until this day, although there was a plague in the congregation of the LORD,

18 But that ye must turn away this day from following the LORD? and it will be, seeing ye rebel to day against the LORD, that to morrow he will be wroth with the whole congregation of Israel.

19 Notwithstanding, if the land of your possession be unclean, then pass ye over unto the land of the possession of the LORD, wherein the LORD's tabernacle dwelleth, and take possession among us: but rebel not against the LORD, nor rebel against us, in building you an altar beside the altar of the LORD our God.

20 Did not Achan the son of Zerah commit a trespass in the accursed thing, and wrath fell on all the congregation of Israel? and that man perished not alone in his iniquity.

The Eastern Tribes' Answer

21 Then the children of Reuben and the children of Gad and the half tribe of Manasseh answered, and said unto the heads of the thousands of Israel,

22 The LORD God of gods, the LORD God of gods, he knoweth, and Israel he shall know; if it be in rebellion, or if in transgression against the LORD, (save us not this day,)

23 That we have built us an altar to turn from following the LORD, or if to offer thereon burnt offering or meat offering, or if to offer peace offerings thereon, let the LORD himself require it;

24 And if we have not rather done it for fear of this thing, saying, In time to come your children might speak unto our children, saying, What have ye to do with the LORD God of Israel?

25 For the LORD hath made Jordan a border between us and you, ye children of Reuben and children of Gad; ye have no part in the LORD: so shall your children make our children cease from fearing the LORD.

26 Therefore we said, Let us now prepare to build us an altar, not for burnt offering, nor for sacrifice:

27 But that it may be a witness between us, and you, and our generations after us, that we might do the service of the LORD before him with our burnt offerings, and with our sacrifices, and with our peace offerings; that your children may not say to our children in time to come, Ye have no part in the LORD.

28 Therefore said we, that it shall be, when they should so say to us or to our generations in time to come, that we may say again, Behold the pattern of the altar of the LORD, which our fathers made, not for burnt offerings, nor for sacrifices; but it is a witness between us and you.

29 God forbid that we should rebel against the LORD, and turn this day from following the LORD, to build an altar for burnt offerings, for meat offerings, or for sacrifices, beside the altar of the LORD our God that is before his tabernacle.

The Answer Pleases the Western Tribes

30 And when Phinehas the priest, and the princes of the congregation and heads of the thousands of Israel which were with him, heard the words that the children of Reuben and the children of Gad and the children of Manasseh spake, it pleased them.

31 And Phinehas the son of Eleazar the priest said unto the children of Reuben, and to the children of Gad, and to the children of Manasseh, This day we perceive that the LORD is among us, because ye have not committed this trespass against the LORD: now ye have delivered the children of Israel out of the hand of the LORD.

32 And Phinehas the son of Eleazar the priest, and the princes, returned from the children of Reuben, and from the children of Gad, out of the land of Gilead, unto the land of Canaan, to the children of Israel, and brought them word again.

33 And the thing pleased the children of Israel; and the children of Israel blessed God, and did not intend to go up against them in battle, to destroy the land wherein the children of Reuben and Gad dwelt.

34 And the children of Reuben and the children of Gad called the altar Ed: for it shall be a witness between us that the LORD is God.

Praise the Lord Almighty! Now this is after they have conquered, after a seven-year battle, folks; seven-year battle to finally conquer the Promised Land and capture the land of Canaan. Everybody was not captured, all the enemies were not dispelled from it yet, but the major battles had been won. A seven-year fight; seven years in battle to finally conquer the land of Canaan!

In Joshua chapter 21 God is dividing up the different lands; this tribe goes here, this tribe goes there, and this all mentioned here. You see that the children of Gad, the children of Manasseh and the children of Reuben go to the East side of the Jordan, and they are now split by a

physical barrier, a river. Now, they had built an altar; everybody saw that? They had built an altar. This was a massive sin against God; it went against all of God's laws.

God works through a central point

Providence works through a central point on earth. That's why God has had central figures throughout the Providence; He works through the central point. The Tabernacle was in the place of Jesus; it was the place where the sin offerings would be offered. But because of the faithless of the people Jesus would have to go the way of the cross and become that actual offering. There would only be one place on the earth where the people of Israel could make meat offerings, peace offerings, all these ritual offerings and they were commanded to go back to that land three times a year. It didn't matter where they were in the diaspora; once they had conquered Israel and had Jerusalem, they HAD to come to Jerusalem, but at this time the Tabernacle was at Shiloh. Everybody had to go back to offer the sacrifices TOGETHER, so the sacrifices had to be done while all the lineages of the Jewish people came together; especially the males had to come together to offer these meat sacrifices as sin offerings to the Lord. The high priest would do that etc., but it had to be in the presence of all the Jewish men who had to return to Jerusalem or to the Tabernacle three times a year.

Now in our individuated society where everybody wants to be God and everybody wants God to work His Providence through them, this is displeasing because everybody wants to be, *"Well, I'm the center point of God's Providence!"* Unfortunately, we don't get to choose where that center point is. God chooses where that center point is and who the central figure will be.

In this nice curriculum that the Queen is doing, training with the young people on experiencing God, they say that a lot of people are praying to God, asking, *"God, show me what I must do. What do I have to do with my life? Use me in Your ways!"* They're praying like this and the guy says, *"Stop praying like that, you bum-bum bozo! Stop making the whole universe revolve around you; it doesn't. God is already doing great things. Find something that a Bible-believing church is doing or something that you know is godly. Find something that is happening around you because God is moving, and JOIN THAT. Then God can speak through you."* But stop saying, *"God, I'm not going to do anything until You tell me exactly what I must do and You have to give me this sign and that sign."* He's not your genie; He's not your servant or slave. Amen! Quite the opposite! He does not have to do any of that. Praise the Lord! Thank God for that! Let's give God some praise for that! (Applause) Thank God for that! We are not the center of the universe. Praise God!

Providence moves through the center figure that God has chosen. Many times, the central figure wants to run away; he doesn't want to do it. Moses, Joshua, Abraham; look at all the central figures, even Jesus with *"Let this cup pass for me"* in the Garden of Gethsemane, sweat pouring out from his pores, sweating blood. But the Providence will move through the center point. This is the Christian eschatological vision for Jesus.

Freedom of religion

Even now, the Jews think Jesus is not only burning in hell, he's boiling in feces in hell. This is what rabbis teach. I'm not joking. You can look at it yourself; that's what they teach to their people. That's what they say about Jesus, that he's a false Messiah and all this kind of stuff. They were expecting the Lord of Glory, they were expecting for him to take over all political power and to RULE the earth.

We studied that last week with Micah chapter 4. Anyone remembers? That was a fascinating scripture where every single denominational hermeneutics, particularly from Evangelical Protestants, will say, *“When Jesus comes back, he will conquer the world; he will shatter the enemies of the Gospel, shatter his enemies; he will bring judgment and he will basically conquer the world. Every knee shall bow; every tongue shall confess that Jesus Christ is Lord.”* Amen!

But the problem is: Micah chapter 4 is also talking about the Kingdom of God on earth and we saw in verse 5 that the Scripture said: *“For all people will walk everyone in the name of his god, and we will walk in the name of the LORD our God for ever and ever.”*

How in the world is that going to happen? How is that possible? Now, remember this scripture is about the Millennial Kingdom; this scripture is about the future Kingdom of God. But how is that possible, especially when Jesus comes, he has destroyed ALL opposition and he has erected the Kingdom of God on earth? You see what I'm saying? Even Christian eschatological hermeneutics End Times theology does not know how to account for this.

We have the Cheon Il Guk Constitution so we understand what this is about. In the Constitution, we have the first human right, and there's freedom of religion even in the Kingdom because God will not take away free will. It's a critical piece of love; for love, the system of love to occur, the mechanism of love of giving and receiving to occur, there MUST be free will. Otherwise, it's just an algorithm, just a program; it's just a 1-1-0-0-0 in a matrix program. It's not real; there's nothing. It's God just having a big play and an illusion with His own self. No, free will has to be involved, and freedom is a critical aspect of the mechanism of love.

That's why even in the Kingdom of God as you see in Micah chapter 4, particularly verse 5, that mysterious chapter comes alive and we see actually that God allows for that. However, the larger context of the Kingdom is obviously the Judeo-Christian worldview and the Kingdom Constitution. Then the Law of God is codified and is codified in connection with Judeo-Christian history and the God of the Bible. Amen!

Blood offerings

In Joshua 22 and generally in Judaism, we see that they believe the Messiah would have to come and the Messiah would have to conquer all of the surrounding nations. He would have to lay waste all the enemies of Israel and he would of course rule the nations and rule the world from Jerusalem. Now, they laugh and say, “*Your Jesus didn't do that. He failed in his ministry. He was executed as a criminal of the state and he only had twelve disciples, all of whom betrayed him.*” That's what they say, because the Christian picture of Jesus is different from the Jewish Messiah picture; in the Christian picture the cross is the purpose for which Jesus came.

However, in the End Times when Christ returns, both these theologies come together, because both Jews and Christians believe that when the Messiah comes- in the case of Judaism he comes for the first time, in Christianity for the second time- he will rule the earth, he will conquer the world. So, there's a meeting point of both Jewish and Christian messianic End-Times theology.

What is the point? The point is: in the End Times, and not only that but through Providential history, God works through a single point; the central providential figure. In the case of Moses and Joshua He also erects a tabernacle which will be symbolic of the relationship between Him and His people and of course that tabernacle becomes the center of the nation and it's now erected in Shiloh. So, God will only accept the meat offerings, the burnt offerings on what? On that Tabernacle altar. He will only accept the burnt offerings, peace offerings, blood offerings on that altar, so that will be a bloody altar.

Even with Cain and Abel, Abel offered the bloody animals up to God which were pleasing to Him; Cain offered up FRUITS and vegetables, when God was demanding BLOOD offering. That doesn't mean fruits and vegetables are evil okay. I don't mean we should stop farming; don't get into that. But the point is the blood offering, the payment of sin; there has to be a payment for sin and the shedding of blood would be that. In the Old Testament, the priest would bring up the pure lamb and the sins would be cast upon it. The high priest would slaughter it, the blood would be drained out and it would be like a bloodletting. The blood of the lamb would be poured out upon the altar as representative of the sins of Israel.

This was a big, big, big, deal! All the men of the entire diaspora, from whichever country they had gone to, had to come back to the Promised Land; they had to come back to Israel, they had to come back to Jerusalem. It didn't matter what part of the world you were in, you had to come back three times a year. In the ancient world that would make for heavy traveling plans, especially when traveling was months and months at a time. You were basically traveling the whole time to get back to Jerusalem and when you got back home, you were soon going back to Jerusalem. You think our holy day schedule is rough? Yeah, okay, our holy day schedule is rough.

From the very beginning there have been different factions of the Christian Church, trying to get the believers to say that they were not part of the New Covenant, and that they also had to keep all the tenants of the Old Covenant etc. Of course, they'd point to Matthew 5: 17

¹⁷ Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil.

Of course, in that very same scripture, Jesus is saying that he fulfills the Law. This gives all the credence to Paul's writing ¹³ *Christ hath redeemed us from the curse of the law, being made a curse for us,* meaning that if you are under the Law, you are under the curse, and there is freedom in Jesus Christ. It doesn't mean to get rid of the Law but that in Jesus all of it is complete. Amen!

What was so powerful about the Law was that the Law was like a mirror; it would make them see their sin. Even though they tried to keep all the Commandments they couldn't; it was almost impossible to fulfill all the Commandments. So, what happened? It became like a mirror, a mirror that showed what? *"Aw! Even us the people of God we have sinned before God and that's why we have to come to repentance. We have to go and do the ceremony and the sacrifice, and there has to be a blood offering for that sin which is the great divide between God and man."* That's why this altar was a big deal.

On gossiping

Now, you got news, you got all these rumors spreading around, running around:

- "Hey, I heard some of them boys over there on the other side of the river, they're making another altar."

- "Oh Lord, they're making another altar? We better go check them out." Et cetera; rumors are spreading. That's why it's very important when somebody comes to you and say,

- "Oh, I heard this about this brother, I heard this about that sister," that you'd be wise about that and not say,

- "Oh, really? Let me hear your gossip about that. What did he do? What did she do?" NO! The first thing you must do is check,

"Have you talked to him about it?"

In Matthew 19:15 Jesus says

¹⁵ *"If your brother sins against you, go and tell him his fault, between you and him alone."*

So, if somebody's trying to gossip about,

"Oh, this person did this to me; oh, that person did that to me,"

- "Have you gone and talked to that person?"

- "Oh, no, no! I don't want to go talk to that person. I just wanted to tell you to pray with me. I wanted your prayers."

- "Well, if you didn't talk to him, I'm not going to pray with you until you listen to Jesus. You go talk to him and once you talk to him, then I'll pray with you."

And you'll see very quickly how gossips die if you obey the Word. Amen! It's foolish people that want to say, *"Oh, something happened over here! Oh, something happened over there!"* They want to jump up and down, and of course that will create divides.

This is what happened for example in this scenario in Joshua chapter 22. They just got established as a nation; they just got divided up, *"You take this territory, you take that territory."* They just got responsibility and now they're ready to cut each other's head off and literally go to

war and kill each other; they're ready to have a civil war. They just got out of war, dang on it and they're ready to go at it again because of some rumors; because some people are saying this and that!

So, when gossipers try to come to you and say,

-"Did you hear this about this person?" the first thing you ask should be,

-"Have you talked to that person? If not, I will not pray with you and I don't want to hear what you're saying." Then you'll see how quickly that will get rid of the spirit of gossiping; that spirit will be very angry.

12 And when the children of Israel heard of it, the whole congregation of the children of Israel gathered themselves together at Shiloh, to go up to war against them.

So, they hear that and they say they're ready to go to war; they're ready to have a civil war to kill their own tribesmen. They're all combat vets, they all fought together, they fought in the same dang army! They were fighting a seven-year war against the Canaanites; they finally destroyed them, finally got the dang land that God had promised them and NOW, because of some loose lips sink ships gossip floating around, now they're ready to kill them!

But thank God, what does the leadership do? The heads of the tribes of the children of Israel, all go together with Phinehas the son of Eleazar the priest; they go together and they meet with the sons of Gad, the sons of Reuben, and the sons of the half tribe of Manasseh. You remember that? They meet on the field and they say, *"What's going on? Why are you guys building this altar? Don't you know you're going against God? You're going against God. God has commanded that there be only one point upon which He wants these sacrifices to be done; one point on the earth. WHY are you building this other altar? You're BLASPHEMING against God!"*

A huge episode erupts between them, and eventually they come to understand that, *"No, no, no, no! We didn't build this for the purpose of making offerings on the altar. We built it as a bloodless altar; we built it as a memorial."* The Scripture says, *"as a witness, so that in the future, your children on that side of the river don't come and say, 'hey you guys over there, your children have nothing to do with the Lord.' That's why we built this altar; to remind all the people on this side of the river that we have to go to that side of the river and do our offerings there."* Are you with me, folks? They didn't do it to create another altar, anger God, stray away from His Commandments and set up another place in their own image. No, they say that they did it because future progeny may get mixed up; they may be attacking one another, *"Those people on that side of the river are not doing this."*

This is also what happened after the fall of the Han mother when Father's heir and successor, Three Kingship and Cain and Abel went in the wilderness and people started gathering again. Those who wanted to come under Father's authority gathered again. But of course, we didn't centralize the organization, the institutions. We said, *"Anybody can set up their own sanctuaries but there are statements of faith that you have to make. You have to AFFIRM Jesus and True Father as Messiah; you have to also AFFIRM True Father's heir that he chose and that extends obviously to the*

Third King as well." So, LITERALLY it was that simple; that was literally what hung the things together.

Now particularly Korea, less in America, but particularly in Korea, these churches started creating their own organizations and some of them went after the larger ones and they started cursing and gossiping about this and that, and that brought fracturing like with any human body since everybody has sin. Those churches grew for a while, the leadership was seen to be not as capable and they split apart again. Every single time there was some type of rift between this and that Sanctuary Church, what would they do? They would always try to contact me or my office, trying to get me involved in the squabbles; every single time.

And what would I say? *"Nope, you have freedom but you have responsibility. Love God, love your neighbor. You are under Father's authority, you have submitted to Father's authority as Christ, you are supporting his heir and his third-generation heir - and it's not of their choosing, it's of their Father's. That's where we're united; that's the altar right there. Boom!"* See, Christ becomes the altar; there's no second altar that can be created. Now, there can be different tribes, different locations, different places of authority in terms of their territory. But there's one center.

In the Kingdom on a larger context, even though there's freedom of religion, the Constitution does that on a macrocosmic circle. Some people are not Christians and they choose to reject God in Christ in the beginning, but we know they're going to come around at the end, especially surrounded by the Christian Constitution, the Kingdom Constitution and that Christian worldview; we know they're going to come around at the end. Now, obviously there are obstinate hard-headed people

Jonathan Cahn: Return of the Gods

By the way there's a very nice work by Jonathan Cahn *Return of the Gods*; I'm reading the book. It's all the stuff that we know, and we've been preaching on this for years, but I like a couple of chapters about the study of the goddess. He's basically explaining that these satanic gods have returned through different signs and how America has invited them back in. Baal, Asherah or Ishtar and Moloch have come in.

Baal.

Baal is the child killer, he is the lightning god; he's the one that is anti-god to God, Yahweh of the Bible. He becomes Zeus in the Greco-Roman world etc. and he's involved in all sorts of evil deviant behaviors. His symbol is the bull.

The same molten image of the Golden Calf, the Golden Bull symbolizing prosperity on our own merit is down on Wall Street in New York, right across from the place where America was consecrated to God by George Washington; same Ground Zero, same place where George Washington offered the country up to God. Now, a molten Golden Calf was erected there in 1989.

So, in 1989 on the very place where this country was consecrated, America put the god of money, the god of rain and prosperity; they put a molten metal golden bull and they even call it the "Bull Market". How about when the market was doing good, calling it, "the Market of God's Blessing?" No, they call it "The Bull Market," which is the sign of Baal and the sign of deviating from God.

Notice how these things slipped in as we removed Scripture, as we removed the Ten Commandments, as Bible classes can't be given in schools and as homosexual, transgender, LGBTQ, etc., are now in the schools. Well, as America becomes more and more pagan and does not know God, we would expect all the same ancient errors to start happening; that's what this whole book is about.

Moloch

There's Baal, and there's Moloch, the god of killing and burning babies. *"You shall not let any of your children pass through the fire to Moloch"* (Leviticus 18: 21) is the scripture in the Bible. God commands it; it's an abomination. America has done that! We've killed over 70 million people on the altars of abortion; we've killed the most innocent amongst us. America has allowed it to happen! It's no longer a Christian nation, this is a PAGAN nation; PAGAN nation.

Ishtar

Now, we go to Ishtar; she's the goddess. Feminism was being pushed in the 1960s by the **Rockefellers**, but Jonathan Cahn doesn't write about that kind of stuff. He doesn't tie it to the actual Satanist Antichrist figures of the White Horse, such as the **Rothschilds**. They're actually Jews who say that they are messianic and they have re-created Israel. They of course have the imagery of the Antichrist figure which in the Bible is what? The crown and the bow and arrows. In the past, what was the symbol of the five branches of Rothschilds in Europe? It was the crown and the five arrows, so they literally have all the marks of the Antichrist. And of course, if you don't get onto their system and you don't take their mark, you will perish. They own the central banking systems of almost every country on the planet. And they're Satanic. They're doing child-ritual killings and they're killing and raping

children at the highest levels. That's what they were doing with the queen of England, etc.; they're doing all these ancient Satanic sacrifices. Jonathan Cahn doesn't go into that connection.

Sexual revolution vs. marriage

Feminism was funded by the Rockefeller Foundation. The central bank system wanted to double the tax flow into the coffers of the federal bureaucracies. So, *"Hey! We're going to weaken men, make them more effeminate. We're going to make women aggressive and angry; we're going to make them HATE marriage and family; we're going to tell them that their career, their WORK is their greatest asset. Then we can milk them of 50% more revenue for the federal government."* And these brain-dead girls went right along with it because a couple of witch-leaders that were leading this charge and taking off their bras were saying, *"Marriage is the bed of oppression; your husband is the oppressor and you're the victim; FREE yourself from the shackles of this traditionality. Be FREE and be LICENTIOUS!"*

Destroying or leaving the marriage system came with what? The sexual revolution. And the sexual revolution means what? Taking the FIRE of sexuality out of its proper VESSEL or fireplace which is marriage; the only place where it can actually be safe to have in the house to warm it. Taking it out of there and then throwing it like Molotov cocktails EVERYWHERE! Taking it out of its proper place and telling women, *"Set this fire everywhere."* Of course, where did that lead to? Chronic depression, chronic anxiety, more suicide, destruction of the economy, the nuclear families destroyed; everything. That destroyed the whole civilization.

In Matthew 19: 4 -6 Jesus said, *"Have ye not read, that he which made them in the beginning made them male and female"*

In the beginning! Not thousands of years ago, 10,000 years ago or however many. No! *In the beginning!* It's not like this happened only when monkeys evolved into human beings as the evolutionists are saying. NO! Jesus said *"In the beginning."* He said:

"⁴ Have ye not read, that he which made them in the beginning made them male and female ⁵For this reason a man shall leave his father and mother and cleave unto to his wife, and the two shall become one flesh? ⁶ ... Therefore what God has joined together, let no man put asunder."

Jesus hearkened back to the beginning of time, the original dispensation, the original blueprint, the plan, the original system, and that was male and female. Man and woman, the beauty and the fires of sexuality being in the VESSEL of the beautiful fireplace of marriage, where it emanates throughout the whole house and the whole house is now warmed and survives the winter, etc.

Now, David Rockefeller comes in with his greedy nasty crinkly fingers, as one of the trolls in the hobgoblins of the Rothschilds, and he starts massive funding to universities etc., for feminist studies and the pushing of this agenda to divorce women from marriage. At the same time

Lyndon B Johnson incentivized the destruction of marriage by giving you welfare IF you showed your divorce papers. That's how for example, they destroyed the black community which had 86 percent retention rate of fathers; now down to an abysmal 20 some percent.

WHY? WHY? WHY? How did that happen? How did it get so bad? Because since that time women have been paid by the government; they have had to show their divorce papers to get government subsidies, AND if you had sex out of wedlock with MORE men and got MORE babies, you could receive MORE MONEY, but you had to show that you're divorced. So, they're paying for licentiousness, paying for sexual immorality, and paying for you to kick your man out of the house; depriving generations of kids of the father figure who is ESSENTIAL in the home.

Training in the dojo

There are some things Daddy knows he has to say especially for the benefit of the sons. The sons are taught through the father how to be a dangerous and formidable force in the world for the purpose of God, but also how to contain it, how to control it, how to dominate it, and despite your feelings or your emotions how you do this or that. NO! You go through the MUD, you go through the HARD, you go through the TRAINING, you go through the GRIT and the GRIME for the higher calling, higher purpose. You SUCK it up. Amen!

That's why that kind of training is so important. All our young martial artists, you all know that; these guys have to go through that experience. One thing about combat that is so great for young people is that in a condensed way in a very short period of time, it gives them massive tribulation that they would otherwise have to encounter in war or something very traumatic. So, in peaceful time still you're having a war basically inside the dojo when you're fighting these other skilled martial artists who are trying to kill you.

You're trying to fight them and, in the beginning, you lose HORRIFICALLY, CONSTANTLY. Everybody comes in thinking they're going to be blessed with a special secret and everybody gets humbled; you got no secret sauce, you got no special secret, everything will be shut down. But you have to work on major spiritual principles, religious principles in a condensed period of time. In the land of plenty, you are going through hardship, you're being beaten up, you're being humiliated, you are being DEMORALIZED, especially as a man, *"I thought I was somewhat tough; I thought I had something."*

Joe Rogan he also gives his testimony about Jiu-Jitsu. He was a multiple kickboxing, Taekwondo champion or something like that in America, and he's big, he's muscular, he's strong, explosive so he thought, *"Man, I am going to Jiu-Jitsu. I learned a little stuff on the TV with the UFC. I know what these guys are going to do."* So, he went in and he tried to fight these Jiu-Jitsu guys. And this 140-pound lower-belt, a little skinny kid, is twisting up like a pretzel, freaking

choking him out and he can't do anything. Everything he tries fails, and he's like, *"Oh my God! What the hell?"*

Jocko Willink also talks about this. He's a Navy SEAL and he talks about what Jiu-Jitsu does. He had that same experience. He was a SEAL, he was killing people on the battlefield, he was a devastating war fighter with a gun, but then he was getting killed by these little dudes with empty hands. He was like, *"What's the heck is going on with you people?"* It's DEMORALIZING, it devastates. I mean grown men cry; literally grown men cry.

Girls cry a lot too when they get HAMMERED and smashed in the dojos, by other girls of course. We don't let the girls train with men; they train with girls, because there's a lot of contact and before marriage you shouldn't be having a lot of physical contact with men. That's why in our dojo especially, girls have to train with girls. On special promotion days they're tested against men, but that's in a public setting; in private setting they're not to train with the members of the opposite sex.

But this is a huge wake-up call like, *"I thought I was capable. I thought I was this and that."* Those were illusions. On the martial arts landscape on that dojo, those things become EXPOSED; they become exposed and you say, *"Whoa! I am so ill-equipped; I am so underprepared. I thought I could handle it on my own, but I got killed by this 13-year-old kid!"* You see what I'm saying folks? It's this big REALITY wake-up call, big wake-up call.

So, in that short period of time the young person HAS to face not only these concepts that he will hear about in the Divine Principle and in the Bible, but he has to now actualized them. He'll face tremendous adversity, he'll face tremendous fear; every time he has to go fight somebody, he's so scared, so fearful. Every time he has to go face somebody he doesn't want to go; he's trying to avoid it. He's going to be filled with fear, he's going to want to quit, and he's going to not want to come, and make excuses about this and that. All those things get exposed. As you're fighting, you'll see people just giving up. You'll see people who can't win by emotion; maybe they use emotion to dominate other people, and on the mat, they'll give a sudden burst but a controlled skilled person will just keep riding them until that emotional burst is over, and now they're wasted and dead. So, all those hidden habits start bubbling up on the dojo in the place of training.

These are actually very strong religious principles that we encounter in our faith life, because it's a battle. The Scripture CALLS the religious life a spiritual battle; it's warfare *"against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."* (Ephesians 6:12) It's actual warfare!

So, when we're training, we're experiencing these things on a smaller level for a condensed period of time. Young people who are not yet accomplished, who have done nothing, who may have many delusions because of video games, movies and stuff like that, in a condensed period of time, they will start becoming forged, sharpened. They get destroyed and humiliated and crushed in the beginning but they win through perseverance, not giving up, not quitting, not

having your mom say, *"Oh just come home baby, come home baby; mama got you cornbread,"* but having your dad say, *"Tell that boy, I'll kill him if he comes home!"* That's what creates champions.

It's that kind of spirit and you learn that in training. What we hear about in the Scripture, what we hear about in the Bible, you not only learn it, you feel it. You feel it in your own emotions, in your own mental landscape. You feel how you want to make excuses because you're scared of that person and you want to put that person down or whatever the case may be; what we do when we're young and bum bums and not emotionally mature yet. All these things start bubbling out in the training.

That's why the training aspect is so important and that's why in the Jewish context, 12-year-old boys would no longer be in the women's quarters. They would now go to the men's quarters in which they would basically learn life skills and they would become part of the militia. That's when boys would start being trained up to become warriors. So, now they're around other men who've been through that process of forging, been beaten down, demoralized, whooped up, but yet who didn't give up; who rebuilt and got stronger through the fire etc.

Just and righteous Christ-like king

And now those young men have people to look up to and be trained by so they can become strong heads of the household who are loving and benevolent, who have emotional control so they practice patience and kindness towards the people they love. Not only patience and kindness towards the people that you work with, but how about patience and kindness to your family, to your children? That's a very important one, isn't it?

If you can work yourself to death outside all day, you come home and you all vent it out on your kids, uh what are you doing? They are actually the most important relationships that God has given you. A lot of people do that because of unthinking parenting, and they become what? Unjust parents. Would you like to live in a kingdom where the government is able to harass and harangue you every single day because they're having a bad day and they feel overworked? Nobody would like to live in that kingdom. Our family becomes a microcosmic kingdom and that's why we need just parenting.

I'm not about peaceful parenting because sometimes when that child needs the rod, he's going to get the rod. There are times when the parents have to pick up the rod but that's with the understanding to use it justly. Most parents pick up the rod because it's an easy fix when they're young. You whoop them and they listen to you. When they're young they will listen, but when they get into the teens, they will start HATING you and as they get older of course the world is going to try to separate them from their family.

So, are we using force JUSTLY in the Kingdom? Are we using it because it's the easy way and we will get quick compliance out of the citizens in our kingdom? Is that why we're using force?

Well then, you're behaving like a communist. That is not how a just and righteous Christ-like king is going to enact justice in the home. Amen!

It has to be done justly. That's why the training is also very important because you learn about the appropriate use of force and the legality of the proper use of force. If somebody's trying to come after you, trying to box you or punch you in the mouth, you can't pull out your gun and shoot him to death, because these are different levels of force. If somebody pulls out a knife and is trying to stab you, now that knife can inflict serious bodily injury and/or death very quickly. Anybody in the martial arts program you all know how dangerous the blades are. That's already lethal force so now we can match that with lethal force.

Same thing: I didn't have to whoop my kids because I already studied all these arts and I don't beat up kids, I beat up adults. I didn't need to beat up my kids; they knew what Daddy does. And I didn't have to whoop them hard, because they've known that if they cross the threshold - if they for example try to attack Mommy physically - I'm going to more than manhandle them, because that would be the appropriate level of force.

But not because Daddy had a bad day or I'm impatient, I don't have self-control or I drank too much. That's why Father says, "*Don't do substances,*" because they make you impaired, they make you act emotional and you will make those mistakes. Many daddies who get on the booze are whipping and using unjust force on their kids, letting the Devil in. Is that true?

Ishtar & sexuality

So, as Christianity leaves our culture, you would see all these things happening and you would see paganism come back. Why? Because Christ and the Gospel are huge exorcists, national level exorcists; that's what they are. When the Judeo-Christian worldview comes into a nation and takes over, it basically does a national-level exorcism. They tear all the altars of the evil gods; it's like a national-level exorcism.

What were some of the things that these gods were doing? What was **Ishtar** doing? Well, Ishtar of course was the goddess. We talk about it all time: when a nation begins to worship the goddess, what happens? Temple prostitution and the exploitation of girls; not the elevation of womanhood. No, no! Women get sold; that's what happens. Once you start worshipping the goddess, then the goddess differentiates in the marketplace of gods and her difference is that she has sexual power. Then you will see the goddesses younger and younger, and more and more naked; they're connected with fertility, etc. Which then adds to what? It adds to the selling of the woman's body for power. Of course, the state gets behind it, starts creating cultures where people find it good to give their kids over to the "sacred priestess" of the prostitute temple!

But you can't be a sacred prostitute, folks; this is an oxymoron. It's like a square circle and a married bachelor; it's not possible. One is the opposite of the other. You cannot be married and

a bachelor at the same time because being a bachelor means that you are NOT MARRIED! You cannot be a perpetual virgin prostitute because a virgin is somebody who is NOT prostituting themselves. These are opposites; they can't exist together. But in these pagan cults, they always put them together. Then you have the temple prostitution, you have the selling of girls and women into prostitution, the exploitation of the feminine form for the whole marketplace to consume. You will see the rise in the exploitation of women and in pornography, the selling of naked images everywhere; that's another ancient pagan sociological reality.

We see it in America with the pornography industry everywhere now on every single phone. When we were younger, you had to get a Playboy or a Penthouse to see some naked girls. But nowadays kids and everybody can get it on their phone, right here, right in front of their eyes. Parents, of course you can buy phones that don't have internet access; they have texting, high quality camera, so you can take pictures of all your family members, etc., but they don't have internet access. Why? Because the pornos are everywhere, folks. You got to protect your kids from that consumption because it gets them addicted; it creates massive loads of dopamine that translates into adrenaline and in the future, they'll get addicted to more and more aggressive pornography which will lead them to pedophilia. In the end, the rabbit hole porn leads you to pedophilia; you basically become Satan. So, you would expect to see this when the deity of Ishtar comes back and the worship of Ishtar becomes more and more prevalent; we know that.

Ishtar & androgyny

Jonathan Cahn's research on the androgynous nature was very interesting. Let me share a little bit of this. (Reading from *Return of the Gods*)

"It is one thing to demasculinize the one and defeminize the other" -that's demasculinize the male and de-feminize the female - but it is another to superimpose the one onto the other or to merge the two. But this was her power." He's talking about Ishtar; that's another part of Ishtar that was worshiped. *"It could be seen in worship and priesthood. Her priests and ministers or temple singers and ritual performers were called the assinnu, the kurgarrû, the kalû and the galatur, and were known for publicly bending and breaking the parameters of definitions of gender; they were androgynous. So, the cult of Ishtar dealt not only with sexuality and promiscuity but with androgyny. Ishtar herself a female with male attributes was an embodiment of androgyny.*

An ancient writer observed of the goddess: Her androgyny is attested to in her cultic personnel which included eunuchs and transvestites, and during her festival young men carried hoops of feminine symbol while young women carried swords." So, they're trying to masculinize women, making women addicted to the idea of becoming a warrior woman but without men, and making men become addicted to being effeminate men. *"We would expect to see the merging of male and female, with the feminization of males and masculinization of females"* This too is happening in America.

"Ishtar's personal assistant was a deity named Ninshubur. Ninshubur was a female goddess but she was of strange nature; she continually changed her genders." See, this is part of the female cult. It tries to draw in not only women who participate in the temple prostitution, but it tries to draw in males to be feminine and become male prostitutes." *She continually changed her genders in the presence of other gods. Ninshubur was male but in the presence of Ishtar he became female, and back and forth again."* You see all this transgenderism possession that we're experiencing in America? This evil demon is back, right?

"Ishtar's assistant was a transsexual being; it was Ishtar who would transform herself from female to male and back again. In this sense Ishtar herself was transsexual, so it would be no surprise that certain sexuality would appear in both her mythology and her worship. She was also the surgeon goddess." What the heck does that mean? *"She would "strike awe" into people. The kurgarrû and the galatur were describing intersex beings. In the myth of her descent to the underworld and her imprisonment there, two beings are created to enable her to escape."* Who helps her escape the underworld? The kurgarrû and the galatur; they are intersex beings.

The T of the LGBTQ is the hero. Who! What's happening with the young people right now? Who's the hero right now that they're trying to push on the young people? Oh, dang! If you're brave enough to claim you're trans, you're the hero. This is an ancient, ancient religion, folks. This is not a modern thing. These people think they're new and trendy and they're creating something new, but they're going back to the oldest demonic religion in existence!

So, Ishtar is saved by those two beings that helped her escape and they were intersex. *"The kurgarrû and the galatur were also titles of the gender-crossing cultic personnel that ministered in Ishtar's temples. The Akkadian version of the myth, the being sent to rescue Ishtar in the underworld was called Ashushiname, the assinnu."* Again, it was intersexual, transsexual or of transgender identity and the name Ashushiname was also the title of Ishtar's cultic minister the assinnu which means man-woman. Are you kidding me?

"An ancient inscription from Southern Turkey speaks of Ishtar's altering of sexuality in especially graphic terms. This is the quote from the ancient inscription: 'May Ishtar impress feminine parts into his male parts.'" That means change his sexual organs. "The cult of the goddess is believed to have involved castration. Some of the personnel are believed to be eunuchs; some are believed to have castrated themselves during the worship and in one way or another they were surgically altered. What was this? An attempt to rid themselves of the characteristics of the gender in which they were born and to move one step closer to the gender they sought to emulate."

Does this sound familiar in the modern world? Praise God for Tennessee being the tip of the spear, now ending childhood mutilation in the state of Tennessee; first in the world! That bill is going through right now and they're going to pass it, ending child mutilation. PLUS, if you do Drag Queen performances, etc., AND there are children involved, it's a criminal offense. COME ON! Let's give some praise to God! (Applause) That's a CRIMINAL offense!

So, they're attempting to "*rid themselves of the characteristics of the gender in which they were born*" which God has chosen, and they're trying to move to what they want. They're cutting out body parts, castrating themselves; there's also surgical alteration. God didn't make you with a pair of scissors when he you were born, if you are male.

The Fallen Eve demon

That's now the part I want to share with you: In the festivals they would have male prostitutes; many times, they were castrated. We are looking at the Ishtar cult, folks. **Ashtaroth** and **Ishtar**; this is the goddess cult. It becomes **Aphrodite** and becomes **Venus**. What is it really? It's the Fallen Eve demon, isn't it? It's the Fallen Eve demon.

Look at what the Han mother did after she fell! She got possessed; she became the Harlot of Babylon, the FALLEN Eve. What did she require? You could not praise the FATHER! Aha! What does it mean? All the males have to become feminine. You cannot praise the Father; you cannot do masculine things. You must ALL be FEMINIZED and subjugated, by what? The spirit of Fallen Eve, the adulteress with Lucifer.

You see all these pagan deities in many parts of the ancient world. Ishtar- or Ashtaroth- is Baal's consort; they're a couple like Satan and Fallen Eve. So, feminism itself is a Fallen Eve spirit, isn't it? It's the spirit of Jezebel, the Fallen Eve spirit. And feminism is what? The feminism that was pushed in 1960s to all the women in America, what was it? Was it pushed to strengthen their relationship with Christ? Just stripping naked and spreading your legs to any man because you think now, you're under women's empowerment, which means you become a slut? Is this in any way, shape or form going towards Christ? Of course not; it's going towards Satan.

What's interesting is that the second-wave feminism, that's also tied very heavily with what? The push on women's health care; women's sexual liberation which then produces unwanted children. You're having many, many, many, sexual partners and you get unwanted children that you have to kill. So, women's health care is what? Abortion: "*Crush the skulls, rip off the limbs, kill the babies!*" The product of the SEXUAL fall, "*KILL it! Get rid of it! Take it away from my eyes!*" You see what I'm saying folks? That spirit is tied to feminism and then gets tied to women's health care. Why? Because the sexual revolution of women, "revolution" which means becoming a slut, it becomes a slut revolution; that's why they want to say, "*being a slut is not bad.*" That is tied with unwanted children, which then is tied to what? Abortion, which they call "women's health care." Killing children is women's health care. So, the woman who's supposed to be the mother and the protector of children becomes now the murderer.

In these ancient cultures the ACTUAL parents would many times give away the child; they would actually physically take the child to the priest who then would throw him in the fire. What happens in abortion? That mom is carrying her child into this altar and handing it over to

the abortionist high priest to kill him; she's actually carrying the child to him. Do you see that? Oh Lord have mercy!

All this is tied with women's healthcare! So, feminism is tied in with sexual licentiousness, tied in with unwanted babies, tied in with killing children, then tied in with what? There's something in their heart that's missing because they're killing people and now, they're murderers. They want to reject God, they want to reject Jesus, so now what are they going towards? The occult, and that's Satan, right? That's why the leaders in the feminist movement, they're all into the occult; occultism is goddess worship of Gaia and all these different ANCIENT religions like Ishtar. We see what kind of problems Ishtar brings into the culture; you see that, right? The culture starts transforming

So, you have the tie with feminism and then now with the occult, and the occult is tied with the SACRAMENTS of the occult which was what? KILLING kids! Even some of these modern Wiccans are saying *"Abortion is our right, it's our religious freedom; it is a sacrament in our religion."* Ah! You've now admitted it! You've now admitted it; your religion calls for you to kill CHILDREN, innocent children! Woah! You see how that's all tied together. And then what? That's all tied together with dysmorphia, not only taking sexually out of marriage, but even taking sexually out of gender. So now it's homo-sex, lesbianism, bestiality, and what's their final goal? Pedoism, because Satan was the first pedophile. It's his final religion and destination and THAT IS where America is going. Isn't that crazy folks?

And transgenderism? Isn't it interesting that in the ancient Akkadian texts, we can find that kind of stuff? It's tied with Ishtar's and Ashtaroth's cult, and they actually had men dressed up as women. You even see in our popular culture now that the pop stars that are males, they all wear makeup; they're doing different colors of FINGERNAILS! I'm not joking! You've seen this right? In K-pop? Oh, they're doing much more than earrings; those boys are looking like girls! The more girly they look, the more the girls squeal and scream at them. Yeah! It's a lunatic cult.

So, that whole cult of transvestitism goes to transgenderism, then it's tied in with their mythology where the heroes are intersex beings. Okay, the heroes are that, and now you see that in the schools; this demonic culture is coming. As we leave Christ, his exorcism is fading and these demons are coming back. The Fallen Eve demon, the Luciferian demon, the killing of children Moloch demon are coming back hard.

In the twenty-first century we see America becoming a paganized country and no longer a God-fearing country. Fifty years ago in America, whether you were Republican or Democrat you could STILL believe; you could still agree that Jesus Christ was King. Fifty years ago! Not now, because the Jesus that the Left is now painting is a liberal Drag Queen who runs around in the churches in New York City. You've seen them?

<https://americanfaith.com/methodist-churchs-first-drag-queen-pastor-god-is-nothing/>
<https://www.mspennycost.com/>

They have “Drag Queens” running the service; men in women's costume, in women's sexual clothing. You only wear that for your husband? Is that true? They're taking women's sexual clothing, wearing that in church and giving a sermon. And they have all these young brain-dead brainwashed government-cult cultists clapping and pleasing them, *“I'm so moved. Jesus is so proud of us. He's so proud of us!”* Jesus didn't give you the pride flag! RAINBOW means PROMISE not pride! Pride was the root of sin, and that's now PARADED around as something to be glorified? Pride? Are you with me folks? It's so crazy! Insane!

The Oracle of Delphi

As we move further from Christ, we become paganized, we come closer to these deities; they come back in and they start re-conquering the lands. They would take territory, they would take land, they would take stones and caves and mountains; they would take over entire nations. Even kings and emperors would come down and bow and do rituals to them. The Oracle of Delphi was one of the biggest in the Greco-Roman period. All the kings of Greece would go and consult the Oracle of Delphi, which was a demon-possessed woman who was giving oracles; she was saying she was possessed by the Python.

[https://en.wikipedia.org/wiki/Python_\(mythology\)](https://en.wikipedia.org/wiki/Python_(mythology))

<https://en.wikipedia.org/wiki/Pythia>

Did you know the Legend of the Oracle of Delphi, how she got her revelations? From where? From a divine serpent! Did you know that? You all heard about the Oracle of Delphi but you didn't hear about the Python part. She would do shaking and convulsing. There were noxious fumes and gases coming out of the cave and that's why she would go into this trance that they're now trying to explain scientifically. But from the point of view of mythology where would she get the divine revelation? It would be from the Python or the divine SERPENT.

Does that sound a little familiar? You see, the pagan cults perceive the serpent as a place of divine knowledge, but in the biblical worldview the serpent is the place of the starting of rebellion against God; turning away from your true purpose, your calling, your mission, what you're created for. The serpent doesn't give you divine knowledge; it gives you divine illusion, divine misinformation.

Did you know that the Oracle of Delphi was the center of the Western WORLD! Do you understand? Before Christianity, where was the center of divination of the Western Greco-Roman Empire that ruled over the world? The Oracle of Delphi; a female who was possessed by a serpentine spirit! Give me a break! If that doesn't scream Fallen Eve to you, you got to be smoking some crack or you're drinking the methane from the Oracle of Delphi's cave, or something like that! Because it's definitely a Fallen Eve demon that's right there; definitely. And of course, she would call for child sacrifice; killing children for the sake of the nation, etc. Wow! Isn't it interesting?

Now they say, *“Well your Christian God called his son to DIE on the altar! He died a child sacrifice.”* There's a difference between somebody who's two-years old and somebody who's thirty-three years old. A two-year-old does not have any faculty of choice. You are dumping him into molten lava for the sake of saving your nation; that's child sacrifice. Jesus was not a child. He was a GROWN MAN! He was pretty old. Even to serve in the military, that was kind of old; especially back then, they used to be way younger. He was NOT a baby! He was a MAN! That was not child sacrifice; he was laying down his life for the sake of God's Kingdom because the people were faithless. He was a man; he was not a baby. This whole thing about, *“Well, the Christian God, He loves child sacrifice; He killed His own son.”* No! He wasn't a baby.

He had a discussion with God in the Garden of Gethsemane and Jesus even prayed, *“O my Father, if it be possible, let this cup pass from me: nevertheless, not as I will, but as thou wilt,”* (Matthew 26:39) but he, out of his own free will decided to walk the course and pay the price so that at least spiritual salvation would be given. You see, that's different; that's totally different.

Baal temple in New York

So, AMERICA has to get away from this CRAZINESS! It has to be exorcised of the demonic spirits. When we hear of exorcism, we just think of the Catholic priest coming in and the lady on the bed releasing spirits. No! You know how they did national exorcisms in the ancient world? They would literally have to tear down their temples; they would have to take down the symbology of the pagan deities.

You remember in New York, after ISIS blew up someplace in Turkey with the Baal temples, some New York artists with Hollywood support thought, *“It would be a great and grand idea to replicate that and bring it to New York. Let's do that!”* So they replicated it and they erected a Baal temple archway in New York to commemorate ancient art;

<https://thegoodnewstoday.org/arch-from-temple-of-baal-to-stand-in-new-york/>

In the place with the highest Planned Parenthood ratings and the highest number of children's deaths through abortion, they put this ancient bridge with Baal inscriptions. That would be the place where people would cross over the bridge, enter into the sacred place of Baal, and drop their children out to die. New York became that place. New York became the gateway; having the biggest Planned Parenthoods, in the place where America started. Remember, America was consecrated in New York City. Isn't it funny how all that happens?

It became the gateway of all the satanic gods; they came pouring back in. Where were all the clubs and all the licentiousness of the 1960s and leading into the 80s? Where were the big hubs? New York, L.A., but Los Angeles was almost like an extension of New York, wasn't it? New York was this big hub and in the '80s it was terrible; it was one of the epicenters of drugs and sex and all that stuff. It became the gateway!

Then those tentacles spread over the nation as the general population started not coming to church, not studying the Word, not hearing about good and evil; just being told, "*BELIEVE in JESUS! You're going to be a millionaire; believe in Jesus, he will take away...*" Okay, yeah, that's why you can't discern between what's right and wrong anymore.

Exorcize America

So, in America, it's not only about doing spiritual exorcism where people are coming back and being saved. The best way obviously has to be through the legal process with people taking governance as in Tennessee, and starting to make ordinances and laws. There will be a law that will criminalize grooming children with Drag Queen hours etc., and also criminalize even the parents who mutilated their children. Oh yeah! The children will be able to sue their parents if the parents have brought them to be part of that demonic self-mutilation cult.

But it requires things of stronger nature too, like what? Death penalty for pedos! If that's too scary for the states then at least don't separate them in prison; when they go there, they go in with general. They meet the Crips and the Bloods, they meet MS-13; they meet EVERYBODY that they're scared of. All those guys who are in there for life they got nothing to lose, and when they know what that guy did to kids... That's what they did with Jeffrey Dahmer. Even MS-13 and the Crips and Blood said, "*Man, Dahmer, you went too far! I'm going to kill you.*" They whacked him.

<http://bowienewsonline.com/2018/11/1994-jeffrey-dahmer-murdered-in-prison/>

AT LEAST every state should agree with that; if they're still too scared about the death penalty for pedos, well at least put them in general. Make it a scary, terrifying experience when they go to prison. Don't let them have any safe haven; they didn't give a safe haven to the kids. Why do they get HBO in a private cell and freaking hotel room service with free food burdened by taxpayers? They're in a dang hotel! I've stayed at Motel 6s that were way worse than some of those jail cells are. Is that true? Anybody who's been in Motel 6 or something like that, you all know.

We actually have to start manifesting real Christian jurisprudence, that means punishing the evil as a nation; we can't sit idly by. It's going to take that type of initiative as we're seeing with the micro and macro moving here in Tennessee. They're taking ACTION. They're not being devastated by the red trickle. They were promised it would be a red wave and it ended up being a red trickle, but they're not devastated. They're pressing forward and they're already ending childhood mutilation in Tennessee, they're ending grooming in Tennessee; they're standing forth and hopefully Tennessee will be the first state to end pedoism. And anybody who was sex trafficking or into pedoism you're going to general, and of course death penalty is on the table too.

You see, there has to be real consequences for evil, especially the worst type of evil, the worst. America has to start EXORCIZING these demons from its public square. Then, people will start saying, *"Wait a minute! All these things are happening. We have to protect the kids. We've got to put the Ten Commandments back in; we got to put Bible study back in; we've got to allow that for people."* If they want it, they should be able to open a Bible study in government schools. Why can't you have a Bible study? The Church of Satan can do it; LGBTQ can witness in public schools. They can name all their gods.

In the International Soccer League, it's illegal now to have the name of Jesus on the players' jerseys; you can have Muhammad but you can't have Jesus. Do you see what I'm saying, folks? Evil always hates Jesus; he's the real deal. Amen! Evil hates the Cheon Il Guk Constitution because it's the real deal. Jesus returned, Jesus and Father are one; that's the real deal, folks! That's why they hate it. Amen!

Laws reflect spiritual beliefs

So, we have to pray that Tennessee continues on this pathway, with micro and macro moving together spiritually, the Holy Ghost and the spirit world moving together as one, the heavenly armies moving forward. Hey! Tennessee is leading the way. It's showing the true example of spiritual warriorship that is now being translated into the legal code, because our LAWS should reflect what? Our spiritual beliefs. The transgender cult of mutilating children, that's their SPIRITUAL belief; it has nothing to do with reality. There's nothing based in reality that says, *"I feel like a girl in this man's body."* That's a spiritual claim. That's not a scientific claim, it's not a claim of truth; it is a spiritual claim and that's being translated into LAW! Do you understand? That's a problem. If that turns into law and the parents' consent doesn't even matter anymore, your children can do these mutilating surgeries that will devastate their entire lives and they will have massive regret and suicide etc. This is DEVASTATING the next generation!

Our LAWS have to reflect our SPIRITUAL claims and our SPIRITUAL belief system, but it does not. When you're letting pedos and rapists out of prison during covid, you're LETTING THEM OUT because of a 99.7% rate survival in a Chicom disease, biological weapon! They let out the pedos and the RAPISTS! Are you crazy? It shows where their belief system is; it shows where their money and their mouths are. It shows exactly where their belief system is and they're transferring that into law.

God wants to EXORCIZE America, but it can't just be through this weak Christianity talking about, *"Oh, we just need to have a revival and everybody's going to get saved."* NO! You got to start changing the LAWS too! It's not manifesting Christian jurisprudence and protecting the weak, the vulnerable, the maimed, the handicapped and the CHILDREN. You understand, folks? That all comes from Christianity. In the ancient pagan world, children were appendages; they were things that you could dispose of and kill. In the Christian reality? No, no, no, no! Your color? White, black, doesn't matter. Your status? Rich, poor, doesn't matter. Man, woman? Doesn't

matter. You're made in the image of God; human beings, God's children are made in the IMAGE of GOD! They're precious. It's very different from the ancient pagan deities of cultic religions.

The laws have to represent that and manifest that and they have to be strong. That's why good people of God have to take those positions of authority. But good people usually don't want to do that; they're like, *"Oh man, I really don't want to do that. I don't like to be in the spotlight, etc."* But they got to get over that now. It's being taken over, overrun; the people who are coming after your children are taking over EVERY place of POWER. If YOU do not sit in the JUDGE's seat which God has told you to sit in, guess who's going to sit there? SATAN!

You remember that whole episode when even I was struggling? *"I am Father's heir but I don't want to sit there. Oh gosh! I have all my older brothers and sisters. Oh my gosh! Why do I have to wear a crown? Why do I have to sit on that throne? It's too much; I'm going to get hated, etc."* Do you understand? But if I don't sit there what happens? Father told me to sit there; if I don't sit there Satan sits there.

The SAME THING! If the kings and queens of the Kingdom of God don't SIT as the judges whom God has appointed, then Satan sits as the judge and brings HIS law and culture; he PROTECTS the wicked and PUNISHES the good. That's why all across this land, this is not only spiritual warfare anymore, this is now the DOMINION of God's Kingdom on earth; God using His hands and feet in this world to reclaim, recapture and restart the Kingdom of God which is at hand. Join me in prayer!

Pastor Sean's Prayer

Father God, we thank You for this beautiful day. We thank You for this beautiful blessing and the study of Your Word in Joshua chapter 22. We SEE an incredible story, how important Your altars are, how important Your central point is; how important it is for the sacrifice to be offered.

We UNDERSTAND that America is at that critical place. We have to get BACK to the altar of God and stop worshiping on the altars of pagan Satan and Fallen Eve. We have to get BACK to the Laws as they manifest the power and the righteousness and the goodness and the benevolence of Almighty God, Yahweh, the Creator of the entire universe. All that is manifested in our LAW which will PROTECT the GOOD and will PROTECT the INNOCENT and PUNISH the WICKED!

Dear God, You have given us a TASK. Good people want somebody else to do it for them; good people want some other person to step up in the world. But You've CALLED us to do it. You said in Your Word that with You we would JUDGE the nations in Your Millennial Kingdom; that this is OUR RESPONSIBILITY, and that if good people did not take those places of

authority, then SATAN and the most WICKED, the most LICENTIOUS, the most DEVIANT Ishtar and the assinnu, the kurgarrû, the kalû and the galatur would take over; then Ninshubur would take over and defile and desecrate the next generation and make this into a wicked place of hell.

Dear God, give the power of the Holy Ghost to THOSE who have ears to ear and eyes to SEE! Let them HEAR this Word at this critical time.

Let them feel encouraged and strengthened by Your Word and Your power and the presence of the Holy Spirit.

Let them stand FORTH and SIT IN THAT SEAT to protect the innocent, the handicapped, the maimed, the blind and the children.

As You say in Matthew 18: 6, *“whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.”* You have a STANDARD of good and evil.

Let our country once again EXORCIZE these pagan evil deities; these demonic gods that have tried to return back and take over this land.

Let them be extricated, exorcized OUT of here.

Let our LAWS be a covenant once again to protect and establish Your jurisprudence and JUSTICE upon these States of America. It's the only way that we as a nation can return unto You.

We ask You to ACTIVATE us and to use us, to mobilize us and to FILL us with COURAGE at this critical time.

We give You the praise, glory and honor, with all the kingship lines who have gathered together here with the Three Generation Kingdom, and we PRAY in Your precious name. Amen! Amen! Aju!

All right folks, come on, join us and worship!
