### King Bullethead

Also, a shout out to all the folks that have been signing in and checking out King Bullethead on YouTube; we're back on YouTube but in a different form this time. They're banning us whatever we do and they always try to shut down the message.

This is music and entertainment and it's all for ENTERTAINMENT purposes ONLY. Whatever we say there it's for entertainment purposes, FBI, CIA and IRS. Please pray for us that we don't get banned off of that, and of course check out the new video *Free China* <https://www.youtube.com/watch?v=e6D3bzD83CM> that dropped, and we're getting better as we tweak these things. It's amazing because Flashy who's a Rod of Iron Rider, eight years ago he was a music major and going to go into music producing. We never knew that.

By the way I'm not going through a midlife crisis or something like that. No! I'm a grandpa. I don't want to be doing this okay, honestly speaking, but we have to get the message out.

Obviously, everybody who knows me, knows I'm very artsy; I like doing gardens and all that kind of stuff, and I know how to sing. I'm not professional or anything but better than the average person. The point is: we never had any intention of doing rap videos and things like that; this genre is often connected with hoers and prostitutes and drugs.

This is none of that of course; these are sermon raps. These are really for sharing the Gospel and also for the destruction of political Satanism with a very strong Rod of Iron Kingdom message, in a cultural way that of course is the modern genre; it's a modern style of poetry that is very mainstream. Even for a video like this - not high quality; we just did it off our iPhone - you can see even just in the numbers; within a couple of days, it has over a thousand views. It's definitely easier to share with people even in evangelism.

You're witnessing to somebody:

*"Hey, check out this rap video that the pastor made."*

*"-What? The pastor raps too? Okay, let me hear some of it."*

The King Bullethead and the gold glasses and the gold AR and all that stuff, suddenly make a lot more sense in the genre. We'll see how long it will last on YouTube because there are a lot of other people that get banned off it no matter what they do, but we'll see. We'll see how God uses this. Please pray for us here.

The next sermon rap will be dropping soon. <https://www.youtube.com/watch?v=xqE9q4jBsJI>  
(*Red Eyes Patriot, released Dec 12, evening.*)

We have teams and a pipeline. I'm producing these very quickly; I'm writing these very fast because it is almost like writing poems in the form of Japanese haikus. We didn't know that Shiggy had those skills and had bought this program eight years ago. He had put all that aside; he just wanted to do God's work. We never know how God is going to work. All of a sudden, he had to pull that out of the cobwebs and bring out the music mixer; you drop the beats in there and it mixes them up, produces the music and cleans up mistakes. Without Shiggy it wouldn't be done. Then we turn it over to our production team who are my sons, and we hand it over to our editing team who then edits and produces the video.

As you see, I am not doing all that stuff. We got a couple of boys there working on that; we're trying to make a pipeline team. When the Queen did the YouTube channel *The Lion Queen*, and she got 50,000 followers in Korea, she realized that you have to make a pipeline. She was in all the videos herself with the editing and the hair and makeup; everything. It was a whole production and it gets too much; it gets too taxing. Over a year, you get burnt out, you can't do it. It has to be done in pieces; your job is this much and then you hand it over to the next guy and he gets the music editing done and you hand it to this guy and he gets the video editing and then it's done. It's easier to produce and it has more of a long-term sustainability in terms of not burning out.

The incredible thing is that the new cycle moves so fast, so whenever I get angry at what I hear in the news, I'm like, *"Dang on it! I got to write something about that."* Then I write it and we already got six songs done in the last two weeks. That's how fast we're producing but I'm only

going to release them one at a time; probably once a week, maybe twice a week max, because we have to do music editing and video editing and all that kind of stuff.

Share them with your friends; this is a good opportunity with short videos under four minutes. It's hard to share our sermons because we go on one, two, three, four, five, six, seven, eight hours sometimes and that's kind of hard to share with your family or friends, but not a three or four-minute video with dope beats talking about modern-day stuff from a godly perspective, and sharing the Gospel. Sharing the Gospel, always!

Whenever we hear about political Satanism and everything like that the answer is Christ; the answer is Jesus and his Return. That is the answer. The destruction of political Satanism is there as well, and of course the Rod of Iron Kingdom message is there very prominently. We'll be including videos clips as well, so, we'll be blending all the cultural aspects of the Rod of Iron Kingdom in there.

### **Recapturing the Culture**

This is really the recapturing of the cultural aspect. You know that Satan captures the cultural aspect: the music, entertainment, education, etc. He captures the culture because you don't have to really think so deeply; you just drink it. As you drink, it actually starts changing you, like if you're drinking secular music where they're going, *"adultery is good; adultery is good. Sex with this girl, that's fine; that's what everybody's doing."*

The women porno, the Korean dramas are like that. They're always making the older women fantasize about having sex and having adulterous relationship with younger men. In the Korean dramas they always create the love triangle; that's why it's women porno. Women are drinking that, and they don't realize it but then all of a sudden, they have fantasies about wanting to have a third party; they want a love triangle. You see how that becomes women porno, capitalizing on their desire for romance? If they drink of that cup, without them knowing they start changing. There's not a lot of thinking or critical analysis involved there; they just drink and they start changing. See how crazy that is? That's why Satan is always after the culture.

Now, when I was younger, I had musical talents, I could sing etc., but I purposely wanted to do ministry; I purposely did not put that on the stage. Why? Because young people are foolish when they're young, and if they see the pastor or the world president just focusing on music then they think that it is the way you're going to change the whole world. But it's not! That's only one dimension, one dimension. People who get into these kinds of performing arts many times what happens to them? They get very deluded; they get crazed out and they get addicted to what? The spotlight, so they become tempted by Satan.

I've seen even some people in my family fall that way; destroy their lives by getting sucked up into that. So, I knew from a young age that even doing ministry, I'm not going to sing. I may have been able to sing better than the choir people, but I said, *"No, you guys sing and I will do the preaching."* That was important because you want to show the young people that leadership is

not based on charisma and music and this kind of stuff; it's based on love of the Father; it's based on truth. Amen! So, young people, don't just focus on singing and dancing. Why?

### **Sharing the Rod of Iron Culture**

Because that's easier than what? Training! Training is so important. That's why we focus on training, because training allows us to start actualizing the mind and body unity, actualizing by Principle, actualizing the things that we are learning about theologically, philosophically. By training we get better. That's the reason why in my twenties and thirties even when I was doing ministry, I did not put this on the front stage. I always said, "no," even though everybody said, "Oh, you sing so well; please sing." I said, "NO!" Because I knew the young people would gravitate towards that in a self-centered foolish way.

When we talk about music, the training aspect is very important. In the Kingdom of God, the cultural aspect of training, the cultural aspect of being prepared, that's critical. This is just a modern genre; we're just pushing that out further, pushing it out in a present-day modality that is easier to distribute.

We got the first video out this past week and we'll be dropping the next one soon. We already got the video teams on editing that; we got a whole bunch lined up and the goal will be one new release per week. It will be a sermon political gospel rap, that you can share with your friends. But yes, the next video will be dropping soon and it's a very important message as well.

So, a shout out to all the folks sharing the likes, sharing the video, and of course subscribe. Hit the notification bell and all that kind of good stuff on YouTube. We are finally back on YouTube; we'll see how long we last. <https://www.youtube.com/@kingbullethead>  
Good job, Shinman on the designs, and very, very, good job on the thumbnails.

All right folks, let's get to it today. We are in Jeremiah Chapter 12

### **Jeremiah 12: 1- 17**

*1 Righteous art thou, O LORD, when I plead with thee: yet let me talk with thee of thy judgments: Wherefore doth the way of the wicked prosper? wherefore are all they happy that deal very treacherously?*

*2 Thou hast planted them, yea, they have taken root: they grow, yea, they bring forth fruit: thou art near in their mouth, and far from their reins.*

*3 But thou, O LORD, knowest me: thou hast seen me, and tried mine heart toward thee: pull them out like sheep for the slaughter, and prepare them for the day of slaughter.*

*4 How long shall the land mourn, and the herbs of every field wither, for the wickedness of them that dwell therein? the beasts are consumed, and the birds; because they said, He shall not see our last end.*

*5 If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses? and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan?*

*6 For even thy brethren, and the house of thy father, even they have dealt treacherously with thee; yea, they have called a multitude after thee: believe them not, though they speak fair words unto thee.*

*7 I have forsaken mine house, I have left mine heritage; I have given the dearly beloved of my soul into the hand of her enemies.*

*8 Mine heritage is unto me as a lion in the forest; it crieth out against me: therefore have I hated it.*

*9 Mine heritage is unto me as a speckled bird, the birds round about are against her; come ye, assemble all the beasts of the field, come to devour.*

*10 Many pastors have destroyed my vineyard, they have trodden my portion under foot, they have made my pleasant portion a desolate wilderness.*

*11 They have made it desolate, and being desolate it mourneth unto me; the whole land is made desolate, because no man layeth it to heart.*

*12 The spoilers are come upon all high places through the wilderness: for the sword of the LORD shall devour from the one end of the land even to the other end of the land: no flesh shall have peace.*

*13 They have sown wheat, but shall reap thorns: they have put themselves to pain, but shall not profit: and they shall be ashamed of your revenues because of the fierce anger of the LORD.*

*14 Thus saith the LORD against all mine evil neighbours, that touch the inheritance which I have caused my people Israel to inherit; Behold, I will pluck them out of their land, and pluck out the house of Judah from among them.*

*15 And it shall come to pass, after that I have plucked them out I will return, and have compassion on them, and will bring them again, every man to his heritage, and every man to his land.*

*16 And it shall come to pass, if they will diligently learn the ways of my people, to swear by my name, The LORD liveth; as they taught my people to swear by Baal; then shall they be built in the midst of my people.*

*17 But if they will not obey, I will utterly pluck up and destroy that nation, saith the LORD.*

Amen! Aju!

You see it right there: the prophet Jeremiah is worrying about BABYLON, the major demonic empire of the time. What Satanic deity is there again? BAAL! The people have given themselves over to Baal. Baal is of course the killing-of-children deity related with the Greco-Roman Kronos, the eater of time, the eater of children; it gets merged with that in the Greco-Roman period.

But, there's one that demands the sacrifice of the innocent children to appease his wrath; he's the "god of rain" and by having sexual relations with his consort Ishtar/ Asherah whom we've been studying about in Jonathan Cahn's book *The Return of the Gods*, then they produce the rains and lightning and storms. Remember that? The Manzat Ishtar, she is the main consort of Baal, even though she's an adulteress with other lovers. She was raped by the gardener while she slept under a tree; she chased after him and spread her body over the sky like a rainbow. You remember all this? She is adulterous with her lover Tammuz; in the month of Tammuz, she was angry because he offended her and she killed him, and sent him to the underworld.

The point is: the people have fallen over to the worship of Baal again; a pattern that we see continuously in the Old Testament. That's why the study of the entire Bible is so important. Amen! So important! Because we see the flaws of the people who are supposed to be loyal to God. They turn themselves over to the popular culture. We were talking about culture. Culturally it's popular to worship Baal; culturally in Western society it's popular to wear brands

and BAALenciaga! It's popular to like the "stars" of Hollywood, the popular mainstream headstream culture.

It's popular to tell all these young girls that they should be PLAYING and just seeking PLEASURE in their twenties, and they should be wasting their money going into DEBT and be traveling; having sex with multiple partners and just living on emotions and whims, and killing their ability to have long-term relationships, killing their ability to have a family and marriage. And of course, what? WASTING away their youth, throwing away their youth; selling their youth to the bankers, to the corporate giants, the corporate companies or to some CEO or just some Marxist professor.

You got to give your youth to somebody and the young girls are told, *"Give your youth, use your youth for debt to the dirty oily BANKER. He'll be your sugar daddy but he'll let you play; he'll let you sex around. He'll let you sleep with whomever you want, go clubbing every day; he'll let you travel."* But you will give your youth to him. Or you'll give your youth to the Marxist professor that is telling you that you're doing social justice and you're a brave warrior and then he wants to have sex with you. Or he'll put you into a culture with all these beta boys that are trying to have sex with you; to WASTE away your life, WASTE away your ability to actually decipher who's a good and responsible male versus who is not.

And be able to INVEST in the future, INVEST in a family, INVEST in a marriage, which you all want by the way. 85% of women all want that, but they don't invest in it; they want to play, play, play and assume that it's going to just come. Which it won't, because you learned so many TERRIBLE, TERRIBLE, habits; TERRIBLE failing habits, that every man will run away. You won't get quality men unless it's literally by the hand of God, just a miracle.

### **Shout Out to Our Young Queens**

Let's give it up for all our young queens over here for giving their youth not to oily bankers, to perverted Marxist professors, to lascivious corporate giants who try to steal their youth, making them play and going into debt. No! What are they doing? They're giving their youth to whom? They're giving their youth to whom? They're investing their youth in whom? Their children! Their children! They're investing their youth in their children. Come on! Let's give it up for our young queens over here, our young mommies! (*Applause*)

They're actually doing the hard training in their twenties, which is raising a baby and becoming a better leader, a mother; becoming a better wife. They're doing the training, the hard training. It's not easy; the baby is going to wake you up every two hours 24/7 etc. That's why young kings, you HAVE to take your queen out once a week. Get a babysitter. You see why the three generations are so important. Get Grandpa, Grandma, have them babysit the kids. You MUST go out; you got to take your queen out of the house. You get out and have a great date; get her away from the child and let her have a break.

The point is: THAT is HARD TRAINING; it's not EASY training. It's in their twenties that these young girls are deciding what?

*"I'm going to give my youth to my children.*

*I'm not going to be 60 years old when my kids are 18;*

*I'm going to be 40, so*

*I can do everything with them.*

*I'm going to be 35 when they're freaking 15 years old, which means*

*I'm going to be climbing Mount Everest with them,*

*I'm going to be going scuba diving with the sharks with them,*

*I'm going to be the one training them in Jiu-Jitsu and fighting and shooting.*

*I'm going to be doing hard stuff with them, helping them unlock their epigenetics, helping them destroy that lack of confidence and build STRONG people."*

And you cannot forget those bonds and those memories and the unlocking of epigenetics, and by the way, you can't forget who helped you unlock those. It will be your PARENTS who help you do that. It'll be your parents that invest their youth into YOU, sacrifice their youth for YOU so you can have a phenomenal, adventurous, high-skilled godly life. Amen!

It comes upon their decision. These girls can decide, *"Oh, I want to play now, play, play, play; I just want to play. F- this, F- that. I want to play; play, play, play. Hedonism. I like that boy and I want to sex him up!"* You can decide that. But that would lead to destruction. That would lead to terrible learning habits, that would be destroying your own sense of worth; that would be destroying your own value and it would be destroying all the skills you need to be an honorable wife, an honorable mother and a leader in the home. From ONE woman come seventy, eighty, ninety people, sentient beings living people. By the time you're ready to go, from you, that one woman, have come ninety people that may have become world champion kickboxer, ADCC (Abu Dhabi Combat Club) champs and scientists, etc. From that one woman!

And none of those grandchildren and great grandchildren will be asking you, *"Hey, Grandma, what kind of career did you have? How long did you climb the corporate ladder? Huh? Grandma, what did you do?"* No, they don't give a hoot about that. All they know is, *"Grandma is a leader; she's a heroine who put in the hard work it takes to raise kids, invested her youth in those people which then made ME!"* And look how great it is! This whole tribe is celebrating you!

Instead of you following the secular world and play, just focus on your career so you can get your little lattes and be somewhat sedated throughout your twenties and thirties in parties and clubs. And then of course you're going to be dating these boys who will be using you and spitting you up like trash, and then you're going to go repeat, rinse repeat, rinse repeat, rinse repeat.

TERRIBLE, TERRIBLE decisions, which means that by the time you're thirty or forty, there are no longer any GOOD honest men available. They're already having family and children; they're already INVESTING in their future. In your 40s, if you want to get a relatively good man, you're going to have to go to sixties and seventies.

*"You're not going to get one that's..."*

*"Oh, but there's always that one exception. I saw one person like that."*

That's not you okay, that's not you; that's like one out of a thousand and that's not going to be you. The probability odds are 100% against you, with all the bad habits you learned up till then. If you try to rationalize in your mind *"Oh I'm going to go to Cryos."*

<https://www.cryosinternational.com/en-us/us-shop/client/> Well each egg costs you eighteen thousand or twenty-five thousand dollars; twelve eggs total will cost you hundreds of thousands of dollars, from Cryos, and each one has an 85% FAILURE rate. But they don't tell you that. Lies, lies, lies, lies, lies! They want the good girls to play, be slutty, spread your legs open, sleep around, be Asherah's prostitute. That's how they destroy ALL of the culture, ALL of it.

### **The Kingdom Culture**

In the end the women are the gatekeepers of what? The eggs of the civilization. You are the gatekeepers. That's why keeping that gate secured is critical and only in marriage does it get unlocked. Are you with me folks? Because that's the proper place for that fire to burn, be productive and create a tribe of grandchildren, great-grandchildren who are all humongous adults, honorable and good men and women. And there you are a grandma and they're all celebrating you on your 93rd birthday, saying, *"Thank you so much, thank you so much for investing in us, Grandma. Without you we would not be here, without you I wouldn't have started this company, without you I wouldn't have become world champion, without you I wouldn't have become this or that; if you had just played Grandma, if you had slutted yourself around in your twenties."* Are you with me folks?

Because you're going to get old anyway. At forty, everything is going to start sagging, everything's going to start going down, longer, droopy, everything. You're not going to have the vitality youth and all the male attention you were used to in your twenties. Bye-bye! It's not there anymore. There's always a fresh new crop of girls for males to give male attention to; it's not going to be you when you're forty, fifty, sixty. Forget about it; it's a deluded lie. You're basing your WHOLE future on that. Foolish, foolish, foolish, reprobate, foolish child!

That's why young queens must be wise; they must not be foolish. These girls are special. Why? Because they're investing their youth not in hedonism, playing around, slutting around. No! They're investing their youth in what? In the godly covenant of marriage, training to become a better wife, and their young kings are training to become better husbands. Amen! INVESTING in that covenant of marriage to bring joy to God and to thank Father for the blessing. Amen!

Also, what are they doing? They're investing in the CHILDREN! In the CHILDREN! How blessed are we, since we followed Father's order and got married early, that when my children were 15 years old, I was still 35 years old. My shoulder was not popping out and neither was my knee. So, when my boys are 15 years old and Daddy's 35, I am still STRONG. I can lift them up, toss them on the head. You know their life is in my hands when we're training, literally; like

literally. At any time if I decide, their life can be extinguished in Daddy's hands okay, but obviously it isn't, and there's that trust built, that helps them train and become strong.

My younger boys are eight years younger. I'm now close to 45 and have a shoulder popping out; I have torn rotator cuff, torn LCLs (Lateral Collateral Ligament) in the knee and all that stuff. But STILL, of course, when I train my boys, they also feel Daddy's physicality; they feel that Daddy is a lion. They don't see Daddy as a grandpa, *"Hey boy, when I was your age..."* But if the father is old, as a teenager they don't see a lion; they see an old weak thing that they feel they can dominate. They don't EXPERIENCE the physicality, the lion-ness of the father.

How TERRIBLE! You're robbing your children of that! They don't get to experience that their father and mother are a POWERFUL force of nature; not only GODLY in heart but a powerful force of nature. Amen! And EXPERIENCE that and FEEL that and say, *"Wow! This is incredible! Through my Daddy and Mommy, I can climb Mount Everest! Through my Daddy and Mommy, I can become skilled at something I was not skilled at! Through my Daddy and Mommy, I can learn how to sing; I can learn how to do this, I can learn how to do that!"* You become their main teacher; you become the one that helps them unlock their epigenetics that make them into strong people.

The rites of passage: you are there WITH THEM, leading them to SUCCESS in those critical rites of passage which the modern world has STOLEN from everybody. It makes kids weak and inept and SCARED, constantly living with fear. That's why they WORSHIP living in safety because they're SCARED. They never unlocked their epigenetics; they never did anything hard; they never challenged themselves; they never threw up after training; they never got beat up so bad and were so demoralized that they wanted to crawl into a pit and just hide. They NEVER experienced ANY of that; they're weak.

Not in the kingdom though, not in the Kingdom. Why? Because there is no centralized government law enforcement, no federalized military, so ALL the people must be trained; ALL the people must be helping their children to unlock their epigenetics and go through those critical rites of passage with their PARENTS. Hallelujah! How fun is it! How adventurous is THAT! You're going to do this with your KIDS whom you really want to have a good relationship with, whom you really want to have great memories with. You get to do this with your KIDS! You get to help them UNLOCK their epigenetics. You get to help them break through the barriers they've created in their own minds, not believing they can do it and you as their coach help them DO it! What a JOY that is!

And then how much more trust they have in you! When you now speak to them of SPIRITUAL matters, of ETHICAL matters, of matters concerning how to treat your wife and how to raise your children, how much more! They TRUST you in the realms of literally putting their life in your hands, trusting you with making them more deadly warriors and more dangerous fighters and stronger hikers and better shooters. They're putting their LIVES in your HANDS! How much more when you speak on matters of ethics, about theology, faith. You understand what I'm saying folks?

There's a culture! The Kingdom is not only THEOLOGY. It is the root from which all the culture emerges but there's a CULTURE that comes out and this incredible culture of YOUNG parents training with their kids and making the memories of a lifetime; what only .00001 % of all people in the world can experience. Because they're busy PLAYING and sexing around in their twenties and thirties and going into DEBT and being total LOSERS, not investing in their CRITICAL relationships, not investing in their FUTURE, not investing in the COVENANT of marriage, not investing in their CHILDREN!

### **First Christmas in Restored Cheongpyeong**

By the way, we're going to have a Christmas party. So, everybody on Christmas, bring something for potluck; it will be a combination of potluck and prepared stuff. And also bring a \$20 gift wrapped up; we'll have a big pile in the middle and Victor Moon and Shigeru will think of some good ideas of how we'll be able to select the presents. You don't have to buy a present for everybody; just buy a present for one person under \$20 and put it in a big pile. Also, by the way we'll have little games that the young people will create to choose a present.

And, we will have a beautiful white Christmas tree. So, when you come for Christmas, come for a family photo shoot; we're going to do photo shoots. We're going to have a beautiful Christmas tree, and all the queens can wear their beautiful long gowns. Go shopping quickly; now, now, you're too late! Go shopping immediately after service! TJ Maxx is right down the road. I don't get any bonuses from them; just go shopping quickly. Get yourself a nice dress; get your children ready. Do all the stuff you got to do for your photo shoot; tuxedos or black and white suits. We'll be doing photo shoots right here to memorialize the first Christmas at the restored Cheongpyeong. GIVE it up to God! (*Applause*) THANK You Father! THANK You, Jesus, Holy Spirit! Hallelujah!

You girls, I know I have to twist your arm for this; I know I got to twist your arm into a Kimura for this. I know you hate shopping; you never want to go shopping but the pastor has got to twist your arm to go shopping so you get a nice gown. We're going to do photo shoots and all that kind of good stuff. Amen!

Back to Jeremiah now.

### **Jeremiah 12**

*5 If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses? and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan?*

The people are giving themselves away to Baal and they're giving themselves to what? Sexual licentiousness. To create the institution of what? Unwanted children; which then creates what?

The corporate business of killing the unwanted children. Then Baal steps in and says, *"I'm your man."* You see how that is monetized? The culture of licentiousness comes in, unwanted-children corporate POWER comes in, and now the state is running child-killing operations and genocide, PROSTITUTION rings sex trafficking, so they get rid of those unwanted children and USE them for the benefit of the state.

That's why they've created all the Asherah temples, the prostitution temples where you're having sex with children who've been SEX-TRAFFICKED under this crazy cult of DEATH; believing that you're paying homage to Asherah while you're raping a sex-trafficked child who's been sold into sex not at 15 - NO! - at five, four, three years old!

That is the culture; that's what Jonathan Cahn didn't write about. Richard Panzer by the way checked out the Babylonian texts and the receipt that we have historically of one father who sold his daughter at the age of eight to ten. There's a receipt of the purchase from a temple. The father is selling his daughter to be a temple prostitute, and he gets a receipt and that's still a recorded archaeological find, an actual inscription that we have in the historical record.

That's the REALITY of the cult of Asherah and Baal! It's not like the Gay Pride parades where you're supposed to have everybody above 18; but it is not so, because kids are being groomed at five years old.

The point is: in the ancient world, the prostitutes being sold to the temple in sex trafficking, they're five years old, they're eight-year-old children, they're little kindergartners; they're even before preschool. Sometimes they're just thrown away and just left on their doorstep as a baby infant, abandoned. This is what happens to a sexually LICENTIOUS, HEDONISTIC culture; they are not going to take RESPONSIBILITY for the FRUIT!

Sexuality comes with a RESPONSIBILITY; it's a fire that creates heat for the entire home in the civilization. That's why it must be contained in the furnace of marriage, not allowed to jump out and spark out to different places, on the pillar, on the TV, on the couch. NO! Anywhere else it's going to burn down the house. ANYWHERE else!

And COMPROMISE is the DEATH of civilization. You compromise a little, then you compromise a little more. Have you ever thrown a piece of driftwood into the ocean, and you turn around, look back and the driftwood has moved? It's now WAY out into the ocean. THAT is what compromise does! SLOWLY the tide has moved it, moved it, moved it, and now it's OUT of sight. That's where you are; you're not FAR GONE as a culture. You're DEEP OUT to sea where the sharks are SWARMING around you, because you compromised lightly with the ebb and flow of the waves. Now, you're nowhere to be found, you CANNOT come back; you're TOO FAR away. You will die. Sharks are swimming around.

Incredible, right? That's what COMPROMISE does! That's why they want to compromise what? Male and female. They want to compromise the marriage of a man and a woman. They want to compromise all that, because then what happens? Our civilization will be all gone. INCREDIBLE! Incredible. This is always the culture of Baal, Asherah, Hollywood, BAALenciaga, that ancient demonic cult.

*1-Righteous art thou, O LORD, when I plead with thee: yet let me talk with thee of thy judgments:*

He's saying: "Lord God, You are righteous, You are JUST, You are good, and yet I plead with You Lord. PLEASE TELL me of Thy judgments." He's not saying, "I doubt You; I question You"; he's not saying that. He's pleading, "Please God talk to me; I don't understand. God, I don't understand." That's what he's saying. This is incredible. Usually, the atheists think that the Judeo-Christian God is "MY WAY or the highway! Go to hell!" But throughout the entire Scripture, you see the prophets, you see the people doing what? Talking with God, wrestling with Him, asking Him, "GOD!!!!" Look at Jeremiah right here. He's not saying, "God, I doubt You." No, he's exclaiming, "God, You are righteous, You are just, so I TRUST You. I have FAITH that You have a reason for this but please talk to me. Give me some light on what You're doing."

*...Wherefore doth the way of the wicked prosper? wherefore are all they happy that deal very treacherously?*

"How is it that the evil people in Jerusalem and Southern Judah right now are PROSPERING? The ones that are giving themselves to Baal, selling out the Jewish people, how are these people succeeding? How are they PROSPERING? They're TREACHEROUS! WHY are You letting them succeed?" He said, "I know You're righteous dear God, but please talk to me. WHY are these people succeeding even though they are wicked?"

*2 Thou hast planted them, yea, they have taken root: they grow, yea, they bring forth fruit: thou art near in their mouth, and far from their reins.*

*3 But thou, O LORD, knowest me: thou hast seen me, and tried mine heart toward thee: pull them out like sheep for the slaughter, and prepare them for the day of slaughter.*

*4 How long shall the land mourn, and the herbs of every field wither, for the wickedness of them that dwell therein? the beasts are consumed, and the birds; because they said, He shall not see our last end.*

GOD! WHY do You let this usurpatious administration continue to WRECK America?

GOD! WHY have we been sold out to China?

GOD! WHY did they trade a WNBA black lesbian instead of the Marine that's been trapped there for four years?

GOD! HOW did they leave eighty million dollars of military equipment to Isis?

GOD! HOW did they pull it out that way?

Dear Lord, what is going on? How is the economy being destroyed like this?

GOD! HOW do the wicked prosper? They're getting richer and richer, like Bill Gates.

The Died Suddenly stuff is coming out about the vaccines. Oh, my gosh! Folks, you saw in the video two-foot-long snakes made of spike protein being yanked out of the bodies? They're literally worms and snakes that are completely clogging the carotid arteries; there's no way blood is flowing by. That's why these people are dying like that; their whole body is being clogged up with the spike protein which is then coagulating into these nasty serpents. It looks like they're pulling out snakes from the people's necks when they're doing the autopsy.

Everybody saw that? We showed it here. Everybody got to see this; you have to watch this video.

There's a reason why God told us on the microcosm, "*Do not take the vaccine!*" We told people all over the world. Praise God! Let's give praise to Father. (*Applause*) Thank you, Father! Hallelujah! Thank you, Father! Praise the Lord!

But, look at how many people are dying: 40% rise in death ages 18 to 64 in the last year! Unreal! So, a massive spike in death; MILLIONS, millions are dying. There's a new video out that a sister was watching and sent me on Facebook. Unbelievable. Wow! All these moms coming on and screaming, "*Don't take it! My child is dead!*" It's incredible to watch those personal testimonies of sudden deaths. And they showed that the longer it is in your system, the more it continues to build because you're replicating this spike protein. The more it builds, builds, builds, the thicker the coagulation, and the serpents come in your neck, literally strangling, literally cutting off your blood supply.

You have to go see that movie <https://diedsuddenly.info/> Go check it out at our movie night in PA. Bring your friends and alert the public because this is unbelievable.

In verse 5 what does God say?

*5 If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses?*

He said, "*Jeremiah, if you're running with the foot soldiers and getting tired what about when you have to run with the horses?*" He said, "*Boy, stop complaining!*" You understand? He said, "*You think it's fast now? You're just walking with the footmen right now. It's going to get faster, and there's going to be time when it's going to be moving like the galloping of horses.*" Which was the fastest animal at the time; that's like the bullet train. God is using that metaphor, "*It's like the bullet train. You think it's fast now? You're walking around with people, footmen. You're just running around or in a circle right now but just wait till the bullet train comes.*" That's what God is saying. God is telling, "*No, no, no! Let me tell you something Jeremiah. You have much more in store coming your way.*"

*... and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan?*

Even in the land of peace in Southern Judah that Babylon has not yet destroyed and taken over Jerusalem, you can't handle THIS? When there's still peace and World War III has not broken out? You think this now is bad?" He said, "*Child, it's going to get a lot worse, a lot worse, a lot worse.*" If you think the Biden administration is bad? A lot worse. What are you going to do in the swelling of the Jordan?

*8 Mine heritage is unto me as a lion in the forest; it crieth out against me: therefore have I hated it.*

Why? Because Judah is known as the lion, the tribe of Judah; the Lion of Judah is also referencing to the Second Coming of Christ, the Messiah figure coming from the tribe of Judah. Only Southern Judah exists at this point and it's going to be taken over by Babylon. Yes, it will. Jeremiah's prophecies will come true; Babylon will overtake it, destroy it and take them into captivity. That's why He says, "You are like a lion in the forest crying out against Me!" His people, His own people are crying out against Him; meaning they're threatening Him.

When you get near a lion's territory then what do you hear? You hear the lion's roar; you hear warning signs, "Don't come here." That's what you hear in the roar. The lion's protecting that territory; that means "don't come here!" So, how is God describing the people? They've become so detached and far from Him that they're roaring against Him; when He comes near, they're saying, "Grrrr! Get away! Get away!" They're like a lion that doesn't submit themselves to God, that does not lie in peace with God. They have become enemies of God; they've become angry with God; they're threatening God. This line of Judah, the people of God that have now become threatening towards God, angry and arrogant, they hate God. "Therefore, have I hated it."

*9 Mine heritage is unto me as a speckled bird*

What is that? A vulture. A speckled bird refers to vulture. My heritage, my people what? Have become a vulture

*... the birds round about are against her; come ye, assemble all the beasts of the field, come to devour.*

They're not gathering for God; they're not GUARDING the territory for God. Now they're PREYING upon people, as what? As bird of prey, as the speckled bird of vulture PREYING upon the people. Why? Because they're selling their children into the cult of Baal and Asherah. They want their Gucci product bags with Balenciaga; which means *Baal is king*, by the way. They are killing their own children, selling them to the temples to be prostituted and sex-trafficked. THIS is what they're doing; it's all in the Bible, and it's now coming out that this is how the entire global elite cartel is run.

Who was the only one? Who was the ONLY ONE who for seventy years, since the 1950s was preaching this? FATHER! He was the ONLY ONE who was teaching this in the Divine Principle, CONSISTENTLY through decades and decades. ONLY our TRUE FATHER was teaching this. The FALL of MAN is not a fruit; it's an actual illicit relationship. And in a concise vernacular way, Satan was the first pedo, groomer.

That's why all these cults and these religions end up in that type of ritualistic worship; the defiling, destroying, killing and murdering of the children. Because they're the most innocent, they're the closest to the image of God; they're not yet stained with sin and selfishness. So, Satan wants to destroy that which is the purest amongst us, at least in the physical plane. Still, we have the ability to become STRONG COMPETITORS and VICTORS against Satan.

God is describing His people as what? VULTURES! *"You have become vulture; you have become people that PREY on the people and devour their flesh."* Imagine, this is their God. For the people of Israel this is their God, and He's declaring, *"you vultures, you are preying on the children."*

We always wonder, *"Oh my gosh, how could that ever happen?"* You didn't notice that it was happening? It's HAPPENING in the Western World. You see it, you see how it's happening. You see how the LGBTQ transgenders are now more and more in the legalization of children having adult rights; which will legalize what? The age of sexual consent; which leads to the legal normalization of PEDOPHILIA. You SEE it happening in the culture. Oh, you thought all the CHRISTIANS would stop it; but no, they didn't. They all got taken over, infiltrated; they got targeted. Margaret Sanger infiltrated the black churches, so they would preach to the women to KILL and MURDER their CHILDREN because *"that's what God wants you to do."* That's why 50% of black children died in the genocide of the womb.

So, God exclaimed, *"You've become a lion that is THREATENING Me, and I hate that. You have become a vulture that is PREYING on the innocent and the weak."* Who is the most innocent and the weak in society? Who is that? It's the child, the baby.

*10 Many pastors have destroyed my vineyard, they have trodden my portion under foot, they have made my pleasant portion a desolate wilderness*

God had prepared vineyards; He had prepared bounties. The vineyard is not just a random mass of growth; it's organized, each tree is MAXIMIZED. Have you been in a vineyard? There are all these grape trees. In Korea, we do pear trees. Beautiful! They're spread out wide; they become like low-hanging fruit and they become easy to pick. Each tree has to be managed; each tree is producing the MAXIMUM amount of fruit that can be harvested. It can produce fruit if the tree grows tall, but it grows so tall that you can't harvest it and the ravens will get it. Is that true?

So, what they do is they shape the tree, they bend it when it's young; they shape it sideways. They don't let it grow vertically; they shape it sideways. That's what we're doing here in the Cheongpyeong orchard; we're shaping all the trees sideways. Why? Because it maximizes the growth throughout. Just like roses; once they pass a 45-degree angle the roses will start budding and blooming on the stem. So, for example if you spread the vine roses, the ones that grow on the fences, if you tilt them to a 45-degree angle, they will not only bud at the top. If you grow a rose bush, they only bud at the top; watch your roses, you'll see. The roses will only bud at the top. But once you bend them over a 45-degree angle, genetically something gets triggered in them, and they don't grow at the top anymore, they grow along each branch area. So now they're blooming everywhere along the whole stem.

That's why with the vine roses, you pull them out sideways because then the roses pop everywhere; the whole stem gets filled with roses and you get a beautiful bloom. That's why sometimes they do an S-shape so they bloom through that whole fence.

Some fruits are like that too. If you bend them more than 45 degrees, something genetically is triggered inside and they start producing fruit along each of the nodes, instead of just at the tips. But if you let them grow vertical, they want to bloom up on top, because that's where the sun is and they're away from the squirrels and all the animals that are trying to get to them. That's why the farmers are bringing those branches sideways and they're shaping them. Even though the tree doesn't want to grow that way, they're purposely shaping it that way for the MAXIMUM harvest.

THAT's what GOD's doing in the Kingdom with the families! Each tree is like a family, a family Kingdom. God has to SHAPE that tree and you've got to TRAIN it. You literally got to train it; you got to hold those branches down with weights like rocks or tie them down on the ground with stakes. You see what I'm saying folks? That's called *training* a tree. You train a bonsai tree; you train an orchard tree.

Through the TRAINING in the Peace Police-Peace Militia those INDIVIDUAL families start bearing maximum fruit. What? Freedom and responsibility; defending liberty but also being RESPONSIBLE. That means you are ready to DEFEND liberty, to "*love God, love your neighbor*". You're able to ACTUALIZE the love, not just have it circling in your heart. You're able to ACTUALIZE it and you're putting in the work time and the hours to TRAIN it so you're able to ACT when evil raises its head. We got to dope a song about the Peace Militia too. So y'all wait for that. I know it's going to be dropping, and it's pretty good.

The point is: each tree in the vineyard is being shaped by God, by the culture of the Kingdom to MAXIMIZE the fruit of the vineyard. But what did He say?

*... have made my pleasant portion a desolate wilderness*

"You've turned it into a DESOLATE wilderness!" It's become completely unorganized; it's been completely ravaged. The trees are growing wild and they've died and withered because they've not been cared for. They've not been watered properly; they've not been trained to maximize the fruit. You have made it desolate; it's become a wilderness. A wilderness where what? Humans are not in dominion, but what is? The wild animals.

God's apex of creation, Adam and Eve, the human beings were supposed to be what? The gardeners of the Garden of Eden. They were supposed to be the managers of the Garden of Eden, which was not only a garden; it also had animals so it was kind of like a zoo as well. So, they were like kind of Garden of Eden zookeepers. (*Laughing*) They were the manager to maximize it and give glory to God; to take care of the animals, take care of balancing the ecosystem and all that kind of stuff.

But NOW it's a wilderness where the humans Adam and Eve are not in charge, but the wild is. In the wild, the apex predators, the ones that are the enemies of humans are being organized and create order out of chaos; just like God does. He creates order out of chaos; out of the chaos of nothingness He creates order. He creates the innings of the universe, the mathematics, the

architecture of the universe, the Fibonacci sequence and the mathematical spiral, the rule of the golden mean, the mathematical architecture. He creates this order which then creates this universe that works in reliable ways and with reliable laws. Amen!

It's not random and chaotic; which makes it what? Unstable and unsafe. The wilderness is known for its wildness and instability because it's so random. You don't know; behind each tree could be a leopard or a jaguar ready to devour you. But in a zoo, you pretty much know where the leopards are, you pretty much know where the bears are, and you pretty much know where the tigers are. And if they get out of their pens, alarms go off and shout, "Hey! Hey! Hey!" You're on top of things. You are actualizing, protecting the people that are walking through the zoo, and enjoying the animals. But that's not the case here. The vineyards have been destroyed and *"they have made my pleasant portion a desolate wilderness."*

*11 They have made it desolate, and being desolate it mourneth unto me; the whole land is made desolate, because no man layeth it to heart.*

You see that? How is it that the land is made to flourish? What do you have to plant? You have to plant what? You have to plant heart, you got to plant HEART! Not like real beating hearts. You've got to plant your will to be in alignment with God's Will. You got to plant that hardened heart, touch that hardened heart, love and then you got to actualize that. That's how the wilderness is made into a vineyard; it's by the hands and feet that have a heart that is one with what? God's heart. Amen! It's the owner of the vineyard that Christ makes reference to. Amen!

That's how it's planted. The desolation is created when the heart is no longer there; when the emotional content, the artistic content, the intellectual content, the will content is no longer there to serve God's Will and in that case His vineyard. We've got to care for His vineyard; let it flourish. When that will is no longer there it becomes desolate. His HANDS and FEET are who? They're His people, and if His people don't have the will then what do they do? They're severing their hands and feet from God and saying, "I'm not going to do it." Then what happens? The wilderness takes over, and in the wilderness, what happens? Man does not have dominion. Who has dominion? Lucifer, and wild beasts among which Lucifer is the most cunning; the serpent, HE HAS dominion over that place.

*12 The spoilers are come upon all high places through the wilderness: for the sword of the LORD shall devour from the one end of the land even to the other end of the land: no flesh shall have peace.*

Why? What is this saying? The spoilers, the ones that are coming to destroy you, they are coming; upon all high places the armies of Babylon are coming.

*The sword of the LORD:* that means God will use them, because,

You people of God have become so wicked,  
 You've become hateful to God,  
 You've threatened God as a lion in the wilderness;

You've become vultures preying on the innocent and the weak, even though God has told you not to.

You've made His vineyards into desolate wildernesses.

And now upon the high places the SWORD of the LORD is COMING for you! Oh Lord! You see what I'm saying folks? JUDGMENT is coming and God will use Babylon. He will use Babylon to come to destroy them, to put them into servitude and slavery. Lord, have mercy! If they don't TURN from their wicked ways the judgment is coming. They don't prepare but it's coming. They've been forewarned. Do they heed Jeremiah's call? Of course, not; they call for his death. His own parents are trying to assassinate him; a little rough childhood. I mean there's not a lot of support for poor Jeremiah; he's not the most popular preacher.

He's not preaching, *"Believe in Yahweh and you will become RICH; you'll have BILLIONS of shekels and you'll have gold surrounding your necks. Yes! I believe Yahweh makes us rich!"*

No, he's saying, *"Doom, doom, doom! Babylon is coming! They're going to kill you, chop off your heads!"*

*"Don't listen to him; he's a crazy lunatic."*

But who was right? It wasn't the prosperity preacher saying, *"Believe in God, and He will give you the desires of your heart; you will have all the riches of the world. God is going to BLESS you with more money; more money, money, money."*

Jeremiah was saying, *"We're all going to die. We're all going to DIE! They're coming to chop our heads off. Babylon's coming upon the high places with the long sword. They're coming to kill us because we're becoming vultures; we're selling our children to the temples of Baal and Asherah. We're becoming lions that scream and shout and threaten God. We will DIE, die, die! We're becoming a desolate wilderness, whereas we should be producing His vineyard. The head of the vineyard is coming. He is COMING, And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God."* (Revelation 19:15)

They're like, *"Calm down Jeremiah! I got to go clubbing with my hoes this weekend."*

***13 They have sown wheat, but shall reap thorns: they have put themselves to pain, but shall not profit: and they shall be ashamed of your revenues because of the fierce anger of the LORD.***

God is going to financially destroy them; He's going to militarily destroy them; He's going to lay them to waste. He's going to utterly DECIMATE all the idols of money and all the idols of fame and all the idols of sex and prostitution and all the idols of Baal and Asherah; He's going to come and decimate. He's going to decimate them all; they're going to go with the idols, they're going to be in the lake of fire with them.

*14 Thus saith the LORD against all mine evil neighbours, that touch the inheritance which I have caused my people Israel to inherit; Behold, I will pluck them out of their land, and pluck out the house of Judah from among them.*

*15 And it shall come to pass, after that I have plucked them out I will return, and have compassion on them, and will bring them again, every man to his heritage, and every man to his land.*

You see? Yet, yet, yet, "I will destroy them but yet I am the only One that can save them." That's what He's saying. "I may let the hand of judgment fall on them because of their deeds and their wickedness, and they will have to be judged, but I will also save them. I'll also have compassion on them IF.." He says, 'If, "right?

*16 And it shall come to pass, if they will diligently learn the ways of my people, to swear by my name, The LORD liveth; as they taught my people to swear by Baal;*

See, they were doing that; they were telling people to swear by Baal. He said, "No! If they turn to Me once again,

*...then shall they be built in the midst of my people.*

*17 But if they will not obey, I will utterly pluck up and destroy that nation, saith the LORD*

What does that IF mean? It means: if ... then ... That means, depending on what you do; if you obey you will be blessed, but if you DISOBEY, you will be plucked out. What does this mean? This means: RESPONSIBILITY. This means: the people must act. The people must CHOOSE free will, responsibility; they must choose to serve God. It's not predestination! See, they have a choice. If they don't, they will be destroyed.

If they do, the judgment will still come but they'll have a way out. Oh Lord! Did anyone hear that? SOMEBODY needs to HEAR that! **If the JUDGMENT COMES, and you serve the Lord, there WILL be a way out!** HALLELUJAH! There will be a way out you. HE will make a way. The storm will END, the sun will rise. But if you do NOT repent, you'll be plucked out and the nation will vanish.

### **About Family Fraud**

We just received a beautiful testimony this morning. Another elder minister of the Family Fraud has returned to Father's authority in Korea. (*Applause*) He has made a public statement saying that he repents to Father for the last ten years persecuting his heir and successor and that he is now under Father's authority. He got blessed under Father's authority, and he is now EXCITED to see the coming of Cheon Il Guk and serving the Three Kingship Providence with True Father. (*Applause*)

So, it's happening folks! The Family Fraud under the curse is crumbling. People are starting to wake up and even now the leaders of the people are starting to wake up. So, please PRAY for them; PRAY for them. See, we're not petty people and we don't have vendettas. God gives us freedom; we don't hold on to grudges. Okay, they've cursed me for ten years but I don't give a crap. That's just me. I was telling you the truth. You didn't believe it; that's your fault. I was telling you the truth.

I did not sell out my Daddy. Kook-Jhyung did not sell out True Father. We did not sell out True Father for money, fame and billions of dollars, just as they did. They cursed us for that. Because we would not whore ourselves, we would not prostitute ourselves, they cursed us for that. They told us that we were wicked and we were stabbing our mother in the back and trying to destroy her. No, no! Now ten years later they have realized that it's worse; it's worse than we told, it's worse than we knew. We only told what we knew, i.e., that she was claiming to be God. And that was pretty bad.

But now she's saying that she controls God. She's saying now that she CHOSE True Father out of multiple messianic candidates. I mean, give me a break? This is baloney. Now even the normal teachers and preachers are saying, "*Holy crash! The guy we've been cursing for the last ten years was right!*" You know they're trying to show their faith, how faithful they are to the Family Fraud, so they say, "*Attack him! The harder we attack him, the more we get praises.*" So, they're showing HOW LOYAL they are to the crown of heresy; cursing the inheritor and the one who was crowned by Father.

Not of my choice. Father chose me; I did not choose myself. I had to do my JOB. He knew I was going to do my job. He knew I was not going to sell him out, and that Kook J-Hyung and I were not going to whore ourselves out, prostitute ourselves for money and power. We are loyal to our Father. Why? Because we don't see him as a money bag. We see him as the RETURNING JESUS! The RETURNING LORD, the LORD of ALL; KING of KINGS, LORD of LORDS! (*Applause*) We LOVE him, we LOVE him, we LOVE him! JESUS and Father are one! We LOVE HIM! See, he knew we had love, and he knew that love would trump the money, that love would trump the billions.

So, in the end we get beat up for ten years, we got lambasted and called all manner of names, etc., "*Be damned to hell, be damned to death,*" all that kind of stuff. But we just kept walking. We can't pay attention to haters; we got to just keep doing God's will. Amen!

### **The Next Generation is Here**

And by that, God's blessing comes. His people and His culture did not flounder and falter, it only got stronger, and now the next generation is HERE! (*Applause*) Let's give some glory to God for all these young kings and priests making the next generation. Also, they're training so they'll be high-level parents when they're raising them. It's not only about making them; we've

got to raise them. The Bible talks about disciplining your child in the ways of the Lord and teaching them wisdom.

So, training is so important; so critically important and it's also fun. When our kids get older and we start training with them, it's super fun. You will never have any better training partners in your life; in your life. It's so much fun to climb 40,000-foot mountains with them, seeing these unseen vistas in the wilderness with them. It's so fun to cook steaks raw on the coals of a fire together like a caveman and gobble those up with some salt and pepper and garlic etc. It's so incredible and fun to go camping with them, fishing with them, hunting with them; training with them in the early mornings and sweating and fighting and boxing their head and choking their neck and they're choking you and you're training them.

How wonderful and amazing; it's so amazing! And then at the end you're always saying,  
*"Thank You Lord!*

*Thank You Father for this incredible life.*

*Thank You for all these incredible relationships.*

*Thank You for strengthening us and being the center of this.*

*Thank You for giving us each other."*

Wow! Hallelujah! Oh my gosh! It's the Kingdom right there. Unbelievable! Unreal!

That's what Jeremiah is talking about. He's saying, *"Look, if we follow God, if we come back and repent... We're still going to be judged; we've done too much wrong, so we're going to be judged. But God's going to find a way out; we're going to make it through. Now if we don't do that, He's going to pluck us out. So, let's do the right thing and let's turn to Him, turn to Him and to the Kingdom that is coming."*

Join me in prayer!

### **Pastor Sean's Prayer**

Father God, we thank You for this beautiful day. We thank You for all the things that You are doing. You are moving throughout this incredible universe in the crazy time that we are experiencing now.

Father, we know that so many incredible things are happening in this country and all around the world, so many crazy things. But let us never take our eyes off the prize, the high prize who is Christ Jesus. The high prize who is the Second Coming of Christ is ONE, ONE, with God in the flesh; ONE, ONE, and the leader of the Kingdom,

The center of it all.

The center through which we're able to build a blessed family,

The center through which we're able to build a strong covenant in America;

The center through which we're able to build strong and fun and adventures and awesome and incredible memories with our children in the Peace Police and Peace Militia training.

And through that training we can become stronger individuals, empowered, have our epigenetics unlocked, and we can MAXIMIZE the potentiality of ALL people, so that when evil does rear its ugly head it is met with the good and the just and the powerful that are benevolent and that are made in Your image. Amen!

Father, we thank You so much for all the things You're doing.

Just like in Jeremiah chapter 12

We don't want to be the America that's become a lion that is roaring against You, threatening You.

We don't want to be the America that has become the vulture preying on the innocent.

We don't want to be the America that has become a desolate wilderness when it was supposed to be a vineyard that was meant to root for You and Your glory. NO!

We want to TURN away from those wicked things.

We want to become the beautiful vineyard,

We want to become the beautiful EAGLE that is spreading its wings and shouting Your name of Glory

We want to become one with the Lion of Judah that is STANDING with You and fighting the battle against the enemy and the wicked and the serpent; standing with You to face and bring forth the Kingdom of God.

We want to be on YOUR Kingdom and Your righteousness.

We want to always focus ourselves here and "*all things shall be added unto you,*" as You promised in Your Scripture.

Dear God, we thank You. Please put Your hand upon ALL the patriots in America. Let them once again see the light! Let them once again remember that You are the ONLY, only hope and that we must turn from our wicked ways; that we must REPENT and we must turn back to You, for THROUGH the CLOUDS when we are with YOU and THROUGH the STORM, the sun on the horizon is forever.

We are always grateful, we are always searching and pushing forward into Your Kingdom.

And we see the sun that is rising, we see the Kingdom that has come and we see the CULTURE that You are bringing.

We want to give You the praise, glory and honor with ALL the tribes and the kingship lines that are here together with Your Three Generation Kingship. In Your precious name we pray. Amen! Aju! Hallelujah!

Let's give glory to God!
