Happy True God's day

*"Victorious Gratitude to True Father
through the tribulation age"*

Midnight Prayer

(Unofficial translation)

Dear Heavenly Father, Victorious True Parents of Heaven, Earth and Humankind,

Father, thank You and thank You again! Thank You very much! Through Your great power, You have established the restored Cheongpyeong, and I know that in this confusing world chaos and hardship, You have protected Your Three Generation Kingship.

Father, we are alive in this moment just because of Your love. After the cosmic fall of Hak Ja Han, the Whore of Babylon, by Your grace, You brought victory with Sanctuary and with the amazing harvest of the Holy Spirit on the world level. At that time, such a shocking cosmic evil took place; all the foundation You had established went to Satan's side and the whole world came to enter this time of judgment.

Father, only Your heirs and successors and representative bodies, the Second and Third Kings, and Cain and Abel, the two sons whom You anointed, opposed that monstrous betrayal. The people of Cheon Il Guk all over the world were completely ignorant and started singing the fake Cheon Il Guk national anthem, the national anthem of the fake nation.

Father, You sent Cain and Abel and the Three Generation Kingship into the deep woods of Pennsylvania, where the temperature was 20 degrees Fahrenheit below zero (- 28. 88 C). We clung to Your love and the presence of the Holy Spirit while singing the Cheon Il Guk national anthem along with the deer.

Father, though the whole world betrayed You and abandoned You, Your lineage and Three Generation Kingship did not abandon You, and out of his love for You, this son just clung to the hand of Your Holy Spirit, step by step following Your light in the darkness. While looking for members one by one, I wondered who would love me when I had no status or money.

After breaking the silence, while being ridiculed and insulted by the whole world, Your Three Generation Kingship, the Kingship of the Messiah was insulted, ridiculed and hated by the whole world. But the glory that can come from You is more amazing than anything the world can bring; more amazing than any jewel, any palace, any gold and silver. Father, You allowed me to preserve this eternal relationship with You.

In the deep forest of Pennsylvania, in the cold wilderness of the forest, You built the history of the seven-year period, and You built Cheon Il Gung.

Father, at Cheon Il Gung, like a miracle, You found True Mother, the 90-year-old woman Kang Hyun-Shil, who secretly had a heart that loved You, and who left everything behind. The doctor and all the members of the Family Fraud tried to kidnap and confine True Mother Kang Hyun-Shil.

As described in Revelation 12, a woman on the wings of an eagle, was guided by the Holy Spirit across the seas in search of Your living lineage, Kingship, and sons; she crossed the vast Pacific Ocean to continent, land and language unknown to her and came to visit Your sons.

You performed the miracle that no human could accomplish: You called True Mother Kang Hyun-Shil, and filled again the seat of True Mother that had been left vacant. You restored the True Mother position.

In Revelation 12: 1 we read: "A great sign appeared in heaven: A woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head." On September 23rd, 2017, a miracle came from Heaven. On that day, appeared the woman clothed with the sun, with the moon at her feet wearing a crown with twelve stars.

On that day when the moon was at her feet, You gave permission to hold the Cosmic Blessing Ceremony on the Completion Stage of the True Parents of Heaven, Earth, and Humankind.

Heavenly Father, You and Your son who had been appointed on earth with the authority to give the Blessing held the Cosmic Blessing Ceremony. From that day on, You opened the realm of the Rod of Iron Kingdom and as all Christians looked up to the sky and witnessed the miracles, the Rod of Iron Kingdom of Revelation chapter 12 was revealed.

Your work has literally been realized on earth.

A few months later, after the God's Day and True Parents' birthday celebration, the Cosmic Rod of Iron CIG Book of Life Registration Blessing Ceremony was held. The Three Generation Kingship with Cain and Abel attended You, True Parents, the Messiah, the King of Kings. Representatives of all the people of the world came to Pennsylvania to visit the countryside and the wilderness.

Looking at the worldwide coverage of the Cosmic Blessing Ceremony of the Cheon Il Guk Kingdom, I was thinking, "Oh, this is something that humans cannot do. Only through the work of Father's Holy Spirit could the events prophesied in the Book of Revelation start to be manifested on earth."

After that, the interest of the world rapidly revived, calling out Your name again, True Father, and observing the amazing event performed by Your heir and successor, Your Three Generation Kingship and Cain and Abel.

For seven years, through the guidance of Your Holy Spirit, I prophesied that chaos and judgment would come upon the world due to the idolatry and satanic acts of Hak Ja Han and the cosmic corruption that betrayed the Messiah. It was announced through the Three Generation Kingship at a time when the whole world was prospering.

From Heaven You manifested Your Will, and since the year 2020, the whole world has been shaken by chaos; the nations of the world are being destroyed economically, and chemical weapons and diseases have spread throughout the world. For several years the thieves were

eating and playing well, laughing and mocking Your Kingship and Your sons, but from that moment on, they began to see the curse.

World chaos began as a result of Your love, righteousness, and justice. For the first time on the world level appeared economic collapse, riots, and revolutions. And political Satanism intensified worldwide.

The thieves who drove out Your lineage, The Three Generation Kingship and Cain and Abel thought that they would laugh and play, eat their fill, and play happily ever after.

But last year, in the midst of the turmoil of the microcosmos and macrocosmos, I visited Korea and Japan for the first time in ten years. It was the first time in ten years for Your living lineage of the Three Generation Kingship and Cain and Abel to visit Korea and Japan!

Father, while I was testifying how I lived thanks to Your work and the work of the Holy Spirit, and exposing how the Family Fraud's betrayal of You had brought chaos to the world, their organization was destroyed in front of the whole world. In the midst of a shocking event, of an awful tragedy that no human being could have planned, those Goliath-like thieves have been plundered before everyone's eyes, and the organization is perishing. I came to see the amazing story of this explosive destruction.

Father, those who pursue evil and stare only at money and position thought they could do such evil in front of You, and would live well without paying any price. The apostates who drove out Your Three Generation Kingship far away into the wilderness thought they could live forever, but through the amazing work that only the Holy Spirit can bring about, they have begun to perish.

Now that Your hammer of righteousness and justice has fallen, that organization is being completely shut down. The groups that have supported the Babylonian Whore and her satanic teaching have been cut off, and now the thieves are stabbing each other as they consider their last chance for seizing anything.

The amazing time has come when the dying organization of thieves, composed of many of the fallen members, must gradually acknowledge that You are the Living God. They are fallen sinners, who chose the path of death, the path of greed, and the path of evil, and followed out of desire for profit, money, and status. Now, like Goliath, the top leadership that we thought would never fall, is crumbling. Many of those fallen people are gradually repenting and start looking for You, their Father, again.

Father God, they are once again looking at Your Kingship that was built for the first time in Your history under the guidance of the Holy Spirit. Father, please allow all those fallen people to repent and come back again. Not only were they corrupted by their ignorance and greed, but the people they looked upon also carried out the work of the Babylonian Harlot through greed and betrayal, leading the masses to obey without thinking. They went away, but please forgive them when they repent and return to be under Your authority. They fell into ignorance and

stupidity, looking only at a foolish organization and forgetting about Christ. All the prophecies of Hak-ja Han, the Whore of Babylon have failed into world-level judgment and chaos.

The prophecies given by Your heir and successor, Your Three Generation Kingship and Your sons, Cain and Abel will be fulfilled, and You are protecting us from the world judgment and a coming destruction never seen before in human history.

Now, in front of such an astonishing history, where the roots of the fraudulent organization in Japan have been destroyed to such an extent that many of the corrupted people cannot deny it, and when they are now in complete economic ruin and explosive annihilation, Father, we have no choice but to bow down before You and before Your authority.

Thanks to You Father, we were able to recover some possession from the state of nothingness, rise from the position of death, and move forward together with You, Lord and Father, together with Your Four-Position-Foundation and Three Generation Kingship. Thank You from the bottom of my heart for giving me such an amazing grace. I would like to offer my sincere gratitude.

When everyone had abandoned Your sons, You alone remained.

When everyone had forgotten Your national anthem, Your two sons alone were singing it. Father, I would like to offer my heartfelt gratitude that Cain and Abel were able to move forward centering on Your love. I also thank You, Father, for protecting Your Four-Position Foundation.

In addition, I would like to express my heartfelt gratitude and appreciation to You for re-establishing the Four-Position Foundation and for physically and spiritually carrying out and realizing the purpose of creation. Father, You gained all the victories!

The world is now in an age of turmoil and judgment; however, Father, You have already won the victory and You have accomplished this:

*Cheon Il Guk was established.

*Your bloodline was established.

*Your lineage was established

*Your Kingship was established.

*Your sons did not disobey.

* I have found my Mother again.

*The number of restored blessed families who call people and visit them is increasing day by day.

Thank You, Father; thank You very much. You are victorious! You are victorious! You are victorious! Today is True God's Day; it is Your day, Father! We want to bow and honor You at the Pledge Ceremony at 7 o'clock.

Knowing with certainty that we are following in Your footsteps, walking together with You through those many long periods of rebirth and growth, as Your living lineage of sons, daughters, people of Cheon Il Guk tribes, kings and queens, we glorify You and want to give You joy, Father, the Kings of Kings. We offer our infinite gratitude and joyful worship to You, who have guided the history of building Cheon Il Guk with the Three Generation Kingship, and Cain and Abel.

Father, thank You! Thank You! Thank You! Thank You! We had only You. Only You did not abandon us. We live thanks to You. Thank You again! Thank You! Thank You! Thank You!

Father, today, the restored families of the world holding hands with the Three Generation Kingship give You praise, glory, love and honor. Father, please accept this small report as I am offering it. I sincerely offer my gratitude from the bottom of my heart.

I report in the names of the Blessed Central Families gathered here together with the Three Generation Kingship, and in Your precious name we pray. Aju! Aju! Aju!
