Cosmic Perfection Blessing of True Parents of Heaven, Earth, and Humanity 6th Anniversary

Cheon Il Guk Foundation Day 8th Anniversary

CheongPyeong, TN

Second King's Prayer:

Heavenly Father of abundant love! We offer our gratitude to You again and again.

True Father has passed through all kinds of sufferings, persecution and the deepest adversity in order to prepare for this marvelous day. Seven deaths and resurrections, the eighth stage of perfection: Father has walked the way of death again and again.

It is for the sake of establishing sons and daughters of God's blood lineage. Therefore, Father has never hesitated to die again and again, even going down to hell. For the sake of resurrecting humanity and for God's Will, Father has walked the suffering path of blood, sweat and tears. We offer our sincere and true gratitude again and again.

Thanks to Father shedding his precious blood, we are now able to stand in this position. Father has established Three Generation Kingship and God's lineage on the earth, on the victorious foundation of the condition, not only of the unity of Cain and Abel but also now You have set up True Mother Hyun Shil Kang.

With the Four Position Foundation and Three Generation Kingship, it has been brought to perfection, completion and conclusion. Now Father sits on the throne of Heaven to lead the world.

Heavenly Father, we offer our gratitude again and again. And Your glory forever; Glory to God!

Father watches over all of us. We have prepared the land of Abel UN here in Cheongpyeong, Tennessee.

It is the marvelous power of the Holy Spirit. We have come to offer human rights and God's lineage by means of the Cheon Il Guk Constitution in front of the future worldwide. At the same time present governments are perishing. We are very grateful from the bottom of our hearts for establishing the power of the Holy Spirit and the Cheon Il Guk Constitution in front of the world.

All of the nations are perishing by the system of 666 (number of the beast). Hak Ja Han, the whore of Babylon has united with Satan, and her false teachings as heretic and destroyer are also perishing.

Father! You are now saving a lot of fallen families in the microcosmos. We offer our gratitude again and again.

In the macrocosmos the billions of human population are waking up. Now they are broadly viewing God's Will and the Kingdom of God.

Father has established the Abel UN in order to realize their wishes. Four Position Foundation of True Parents, Three Generation Kingship – You have shared the Cheon Il Guk culture and its Constitution worldwide. We offer our gratitude from the bottom of our hearts again and again.

Today is Foundation Day – Father! Please be filled with joy. It is the completed Cosmic Holy Perfection Blessing. And True Mother, Hyun Shil Kang, is watching Your sons and daughters from Heaven.

This Kingdom of shepherds, it is the Rod of Iron Kingdom; wolves are afraid of it. We are so grateful to Father for establishing it on the microcosmos.

Starting from this small microcosmos, now President Trump is the King of the worldwide macrocosmos as its central figure.

Father! Please win the victory so that President Trump may lead the United States of America as the macrocosmos. Please guide him to lead and offer the United States as the offering in front of Father!

The marvelous fire of the Holy Spirit is coming. Please always be with the MAGA 40-city events. May the fire of the Holy Spirit be always with them!

Because of the marvelous work of the Holy Spirit, Abel-type Christians have united with the culture of Cheon Il Guk as the microcosmos, the Cheon Il Guk Constitution, and the Second Advent of Christ, the King of Kings.

They are willing to go witnessing all over the world so that the people of Cheon Il Guk, kings and queens of the tribes will be established. Please guide the marvelous work of the Holy Spirit to realize that.

Once again, we offer our gratitude. Father, my You accept today's big glory, joy and praise!

We offer our gratitude again and again from the bottom of our hearts in the name of Blessed Central Family and the Three Generation Kingship.

Aju, Aju, Aju.
