

## 2<sup>nd</sup> King of CIG at the Wonjon

2023. 10.07 PA RIFF 7am

Overcome the spirit of fear. All these pedophile elites can do is to try to make criminals of the righteous patriots. Even Jesus and True Father were made criminals.

They are afraid of the guns that American citizens have.

Make a Harley bike group in Japan.

We have to offer a providential campaign (40 Trump rallies) with our international community. Japanese & Korean MAGA support team should come to America. Since we are in the time of war, we have to make a condition.

If Trump is not back, America may die; Europe & Asia will die too. You should come to the US. It is the international frontline to support with *cheonseong* and fight attending Trump rallies. All the Christians and big churches are hiding away.

The Moonies under True Father's authority are some of the few to resist.

The Satanic elites are dragging everyone into war. Abel-type Christians and veterans are coming here to support. 2,400 have pre-registered for the Rod of Iron Festival to celebrate the Kingdom culture with us.
