Jesus replied, "A man was going down from Jerusalem to Jericho, and he fell among robbers, who stripped him and beat him and departed, leaving him half dead. Now by chance a priest was going down that road, and when he saw him he passed by on the other side. So likewise a Levite, when he came to the place and saw him, passed by on the other side. But a Samaritan, as he journeyed, came to where he was, and when he saw him, he had compassion. He went to him and bound up his wounds, pouring on oil and wine. Then he set him on his own animal and brought him to an inn and took care of him. And the next day he took out two denarii and gave them to the innkeeper, saying, 'Take care of him, and whatever more you spend, I will repay you when I come back.' Which of these three, do you think, proved to be a neighbor to the man who fell among the robbers?" He said, "The one who showed him mercy." And Jesus said to him, "You go, and do likewise." **Luke 10:30-37**

Now the Islamic realm and the Communist realm are in cooperation. (65-272)

What Father is most concerned about is the possibility of fighting between the Islamic nations and the democratic world. Communism may become one with the Islamic realm. At this time the Nasser military government surprises the Soviets. If either Communism or democracy declines, they may seek further cooperation with the Islamic world, and they may go to war.

Therefore, the Unification Church has the providential responsibility to prevent this. Father has been watching with great concern the Islamic and Communist worlds, particularly Pakistan, India, Saudi Arabia and East Asia. (18-237)

*If the democratic world defeats the Communist Party and that declines, they, in cooperation with the Islamic realm, will again attack the democratic world. What can stop this? The democratic world is wondering about this problem; they do not have a center, so they do not know where they are going. They will become like a reed in the wind. Only the Unification Church can become the mast and anchor line for the democratic world. (60-226) **SMM, Way of Unification- Part 1. The Emergence of Communism and the World Today***

Hello,

Hyung Jin Nim started his sermon by quoting his elder brother, Kook Jin Nim who said, material things were lost but the real foundation of True Father's work was the establishment of his lineage on earth. The external things can be regained.

In Korea there was a big crisis after Father passed. We begged Hak Ja Han not to idolize herself. Our prediction was right. Money is not the center of God's Kingdom. Betraying Christ and promoting herself as God led to judgment, not blessing. Hak Ja Han predicted the coming of world peace, but the opposite has happened. When the USA declines, the whole world will decline. In 2013 and 2014 Hyung Jin Nim tried to call his mother, but her secretary, Wonjun, stopped him from speaking with her. The religious organizations Father founded betrayed him. Judgement has come in 10 years.

The salaries of FFWPU leaders in Korea have been cut by 90%. In Japan the church is being shut down by the government. We had nothing. When we came to Pennsylvania, in the winter we slept in garbage bags in the woods, but we had Father.

In 10 years the Coronavirus pandemic spread and killed millions around the world. Most of the people around the world were forced to follow pointless Communist Chinese-stye directions like the lockdowns and mass surveillance.

For 70 years, after WW2 and the Korean War, Korea was safe. True Father initiated a gun manufacturing company to support the defense of the nation. A famous novelist wrote about Father, saying that he had done more for Korea and the world than anyone else.

The 70 years of relative peace have passed. The Ukrainian war made Russia stronger. An inexpensive drone can destroy a million-dollar tank. Russia is one with China, which is ready to attack Taiwan. Biden has opened our southern border letting millions of migrants in, including tens of thousands of known terrorists.

On the first day of the Rod of Iron Freedom Festival, Israel was attacked by Hamas terrorists who are backed and trained by Iran, which has nuclear weapons and missiles. America has trillions of dollars in

debt. It could be difficult for the USA to defend Korea and Japan in addition to its other commitments.

After warning President Bush not to attack Iraq, True Father was so heartbroken about the upcoming bloodshed that he had to go to the hospital.

Trump is undergoing a legal crucifixion. He is described as a mafia leader leading a "conspiracy," but really standing against a fraudulent election and the Deep State. Trump received the gold Tommy Gun from Kook Jin Nim and it is in his library. Photos of the "Trump truck" went viral within a few hours. 90% of businesses fail, but the new Tommy Gun warehouse in TN is already making a profit.

The Leftists were calling Hyung Jin Nim "King Bullethead." He thought it was a good idea so he adopted the name. A Christian group in Florida contacted him and wants to work together.

He realized the true identity of Father, who is not just a peace leader. He has the original substance of God. He is alive!

May God bless you and your families!

Sincerely,

Richard
