Hawaii King Garden - March 17, 2007

Do you know why we know True Parents? True Parents are responsible for fulfilling the following mission - Completing God's Ideal World and Saving Humanity. Then, what is the purposes of true children who follow the true parents? The same purpose as True Parents'. Our purpose is to fulfill God's ideal as well as save all humanity.

Today, carrying this worldwide mission, how must we unite and bring together the world? As we observe the humanity throughout the world, we find that evil people have been bringing down the world to the bottom of hell. Since we know God, who is alive today, we must feel the sense of responsibility to bring salvation to humanity before the evil people destroy them.

What is the path the Unification Church must go? The path is the path to fulfill God's Will as well as fulfilling Jesus' desire. First we must save humanity. We must save humanity. This is the path that Unification Church must go.
