The Korean Culture Foundation was established to provide the financial and legal support for the Litter Angels' world concerts.

This supporting has been started from 1965.

Thanks to the supporting of the Korean Culture Foundation, the Little Angels performance succeeded over 60 times world tours.

The little angels performance took a role to connect north and south culture.

The president David Dwight Eisenhower, Mikhail Sergeyeovich Gorbachev, Elizabeth II also moved by the little angels performance.

After that, the Korean culture foundation also support for the Universal Ballet when it was established and had a performance.

“

As those beautiful Korean children show us a world of art and present the beauty of the tradition of the East, we cannot help but feel enraptured. This is evidence of the immense importance of the exchange of culture and the arts in order to advance toward the day of world peace.
