### **The Existence of Human Beings in the Physical and Spirit Worlds - Our highest path in life**

What should be our life path? It is the path of possessing God's love. Possessing God's love is life's highest and final destination. Everyone, men and women alike, must go this way. Our life path must lead us to the infinite God of love. The greatest life path consists of finding God's love by crossing over the peaks of death tens and even hundreds of times, and continuing in that search even after death.

What is the endpoint of our desires? It is the possession of God's love. Even if we say we occupy God, if we cannot possess the more precious and true love within Him, God cannot be ours. Thus, we need to possess God's love. If we only possess God's love, then it will be all right even if He is not present. When His love becomes mine and mine becomes His, the internal and the external become one for the first time. A nation based on such love becomes an ideal homeland without upper and lower classes.

When we lie in that place of love, we feel that there is nothing under the sun that does not appear good and that does not exist for our sake. Since God's love is like that, the heavenly world, which is humankind's destination, namely the Kingdom of Heaven, is a place filled with such love. (39-210, 1971.1.10)
