On October 31, 2015, a group of Unificationists gathered at the Reno Family Church in Las Vegas to hold a 16-year anniversary memorial service for the ascension of Young Jin Moon, the fifth son of True Parents. Dr. Ki Hoon Kim, Continental Chair of the Family Federation for World Peace and Unification (FFWPU) North America, attended the event and offered a heartfelt message in memory of Young Jin Moon. He also thanked Mr. and Mrs. Song for their incredible effort in preparing this memorial service for the last 16 years.

Mr. Steve Kim shared a reading which described all the providential events that True Father initiated in 1999, the year Young Jin Moon ascended to the spirit world, and Mr. Mike Smith gave a powerful prayer, determining on behalf of everyone gathered to triple their efforts to unite with True Mother in advancing the kingdom of God on earth so that Young Jin Moon's "sacrifice will not be in vain." Special thanks go out to Mrs. Wiltermood, Eunhi Smith, Mrs. Connor and several other Unificationists who helped create this beautiful event.
